Units issued by Real Estate Investment Trusts (REITs) & Infrastructure Investment Trusts (InvITs)	0%	10%	Medium to High
<p>Investment in Derivative instruments will not exceed 50% of the net assets of the Scheme. Investment in derivatives shall be for hedging, portfolio balancing and such other purposes as maybe permitted from time to time. All investments in derivative instruments shall be subject to the limits mentioned in SEBI circular ref. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010.</p>			
<p>The scheme will not write options or purchase instruments with embedded written options. The total exposure related to option premium paid will not exceed 20% of the net assets of the scheme.</p>			
<p>The Scheme does not propose to invest in Securitized Debt/ Structured obligations or Credit enhancements /ADRs/GDRs and foreign Securities.</p>			
<p>Pending deployment of funds as per the investment objective of the Scheme, the funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits issued by SEBI vide its circular dated April 16, 2007 and September 20, 2019 as may be amended from time to time.. Short-term fixed deposits shall be held in the name of the Scheme and the duration of such fixed deposit shall not exceed 91 days from the date of deposit.</p>			
<p>The Scheme may not engage in short selling of securities. The Scheme may participate in Securities lending and borrowing as specified by SEBI. The scheme shall not deploy more than 20% of its net asset in securities lending.</p>			
<p>The Scheme may also participate in securities lending to augment its income. Securities lending in the scheme will be in accordance with the guidelines on securities lending and borrowing scheme and modifications issued by SEBI from time to time such as circular no. MRD/DoP/SE/Dep/Cir-14 /2007 dated December 20, 2007 circular no. MRD/DoP/SE/Cir- 31/2008 dated October 31, 2008, circular no. MRD/DoP/SE/Dep/Cir- 01 /2010 dated January 06, 2010, circular no. CIR/MRD/DP/33/2010 dated October 07, 2010 and circular no. CIR/MRD/DP/ 30 /2012 dated November 22, 2012.</p>			

	<p>The cumulative gross investment in securities under the scheme, which includes Equity and Equity related Instruments, Money market and debt instruments, units of mutual fund schemes, units of InvIT and REIT and gross exposure to derivatives, will not exceed 100% of the net assets of the Scheme.</p> <p>Subject to the Regulations, the asset allocation pattern indicated above may change from time to time keeping in view market conditions and investment opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the AMC, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the asset allocation pattern will be for short term and defensive considerations.</p> <p>In the event of asset allocation falling outside the limits specified in the asset allocation table, the fund manager will review and rebalance the same within 30 days. If the rebalancing couldn't be completed within the 30 days, the details of such instances will be reported to the Trustees for taking necessary remedial measures. Though every endeavor will be made to achieve the objectives of the Scheme, the AMC/Sponsors/Trustees do not guarantee that the investment objectives of the Scheme will be achieved.</p> <p>No guaranteed returns are being offered under the scheme.</p>
<p>Risk Profile of the Scheme</p>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <ol style="list-style-type: none"> 1. The Trustees, AMC, Mutual Fund, their directors or their employees shall not be liable for any tax consequences that may arise in the event that the scheme is wound up for the reasons and in the manner provided under the Scheme Information Document & Statement of Additional Information. 2. IDBI Flexi Cap Fund will seek to invest predominantly in equity and equity related instruments which include stocks and shares of companies, foreign currency convertible bonds (FCCB), derivative instruments like stock future/options and index futures and options, equity warrants, convertible preference shares etc as may be permitted by SEBI/RBI from time to time. Trading volumes and settlement periods may inherently restrict the liquidity of the scheme's investments. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees have the right in their sole discretion to limit redemptions (including suspending redemptions) under certain circumstances. 3. The Mutual Fund is not assuring any dividend nor is it assuring that it will make any dividend distributions. All dividend distributions are subject to the availability of distributable surplus and would depend on the performance of the scheme and will be at the discretion of the AMC. 4. Redemption by the unit holders due to change in the fundamental attributes of the scheme or due to any other reasons may entail tax consequences. The Trustees, AMC, their directors or their employees shall not be liable for any tax consequences that may arise.

5. The tax benefits described in the SID are as available under the present taxation laws and are available subject to relevant condition. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Investors and Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As in the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of the investment in the Scheme(s) will endure indefinitely. In view of the individual nature of tax consequences, each Investor / Unit holder is advised to consult his/her/its own professional tax advisor.
6. Different types of securities in which the Scheme/Plans would invest as given in the SID carry different levels of risk. Accordingly the Scheme's/Plan's risk may increase or decrease depending upon the investment pattern. For e.g. corporate bonds carry a higher amount of risk than Government Securities. Further even among corporate bonds, bonds which are AAA rated, are comparatively less risky than bonds, which are AA rated.
7. The Sponsor is not responsible for any loss or shortfall resulting from the operations of the scheme beyond the initial contribution of Rs. 10 lakhs made by it towards setting up the Fund and/or such other accretions / additions to the same made from time to time.

I. Risks associated with investment in equity and equity related instruments

Investments in equity and equity related instruments includes stocks and shares of companies, foreign currency convertible bonds (FCCB), derivative instruments, like stock future/options and index futures and options, equity warrants, convertible preference shares etc. as may be permitted by SEBI/RBI from time to time. These instruments are exposed to and can be impacted by adverse changes in interest rates, currency rates, inflation, liquidity (trading volumes and settlement) as well as company specific risks like corporate governance issues, changes in technology, financial distress etc.

Equity shares and equity related instruments are volatile and prone to price fluctuations on a daily basis. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risks.

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme can go up or down because of various factors that affect the capital markets in general.

To mitigate risks associated with investments in equity and equity related instruments the AMC will ensure that the portfolio is adequately diversified. The Fund Manager will invest in companies/sectors identified through a robust in-house research process for its investments merits – competitive position, earnings growth, management quality etc – and will be monitored on an ongoing basis to minimize

company/sector specific risks. The Fund Manager may also use derivatives tools as appropriate to hedge against market/company specific risks.

II. Risks associated with investments in Debt and Money Market Instruments

- i. **Credit risk:** This risk arises due to any uncertainty in counterparty's ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest. Government Securities have zero credit risk while other debt instruments are rated according to the issuer's ability to meet the obligations.

The AMC seek to manage credit risk by restricting investments only to investment grade securities. Regular review of the issuer profile to monitor and evaluate the credit quality of the issuer will be carried out.

Interest Rate risk: This risk is associated with movements in interest rate, which depend on various factors such as government borrowing, inflation, economic performance etc. The values of investments will appreciate/depreciate if the interest rates fall/rise.

Interest rate risk mitigation will be through active duration management at the portfolio level through regular monitoring of the interest rate environment in the economy.

- ii. **Liquidity risk:** The liquidity of a bond may change depending on market conditions leading to changes in the liquidity premium linked to the price of the bond. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio.

The AMC will endeavour to mitigate liquidity risk by mapping investor profile and potential redemption expectations into the portfolio construction to allow the scheme to liquidate assets without significantly impacting portfolio returns.

- iii. **Reinvestment risk:** This risk arises from uncertainty in the rate at which cash flows from an investment may be reinvested. This is because the bond will pay coupons, which will have to be reinvested. The rate at which the coupons will be reinvested will depend upon prevailing market rates at the time the coupons are received.

The AMC will endeavor to manage this risk by diversifying the investments in instruments with appropriate maturity baskets.

- iv. **Settlement risk –** Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV. The AMC will endeavour to manage this risk by diversifying the investments in instruments with appropriate maturity baskets.

- v. **Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security

over the underlying benchmark might increase leading to loss in value of the security.

III. Risks associated with Investing in Derivatives

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

There are certain risks inherent in derivatives. The Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counterparty”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices, illiquidity risk whereby the Scheme may not be able to sell or purchase derivative quickly enough at a fair price. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments. The AMC may use various derivative products, as permitted and within the limits prescribed by SEBI and the RBI from time to time, in an attempt to optimize the value of the portfolio and enhance Unit holder’s interest/value of the Scheme.

There are certain risks inherent in derivatives. These are

- i. **Price Risk:** Despite the risk mitigation provided by various derivative instruments, there remains an inherent price risk which may result in losses exceeding actual underlying.
- ii. **Default Risk:** This is the risk that losses will be incurred due to default by counter party. This is also known as credit risk or counterparty risk.
- iii. **Basis Risk** – This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying being hedged for e.g. mismatch between the maturity date of the futures and the actual selling date of the asset
- iv. **Limitations on upside:** Derivatives when used as hedging tool can also limit the profits from a genuine investment transaction.
- v. **Liquidity risk** Pertains to how saleable a security is in the market. All securities/instruments irrespective of whether they are equity, bonds or derivatives may be exposed to liquidity risk (when the sellers outnumber buyers) which may impact returns while exiting opportunities.

The AMC will monitor the overall economic and credit environment including the systemic liquidity on a regular basis and the outlook will be integrated into the risk control and monitoring of the Scheme to control the risk emanating from derivative investments.

IV. Risks associated with Short Selling and Securities Lending

Short Selling: When the Fund engages in short selling, it will borrow the security from a third party with the understanding that the security will be returned at a later date as and when required by the lender. Short selling a security demonstrates a negative view on a particular security (i.e. an expectation that the stock price will fall in future). However, there is a risk that the stock price may go up contrary to expectations which will result in losses to the Scheme. The losses will be realized to the Scheme if the Scheme may be forced to buy the shares in the market at the prevailing higher market price (than the price at which sold initially) to return the security to the lender if so required by the lender.

Securities lending: There are risks inherent to securities lending, including the risk of failure or bankruptcy of the counter party, leading to non-compliance with the terms of the agreement by the counterparty. Such failure can result in the possible loss of rights to the collateral, the inability of the counterparty to return the securities deposited by the lender and the possible loss of any corporate benefits accruing thereon.

V. Risks associated with investing in Liquid Funds offered by Mutual Funds

To the extent of the investments in liquid mutual funds, the risks associated with investing in liquid funds like market risk, credit & default risk, liquidity risk, redemption risk including the possible loss of principal etc. will exist

VI. Risk Factors Associated with Investments in REITs and InvITS:

The above are some of the common risks associated with investments in REITs & InvITS.

- **Market Risk:** REITs and InvITS are volatile and prone to price fluctuations on a daily basis owing to market movements. AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures.
- **Liquidity Risk:** As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.

- **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- **Regulatory/Legal Risk:** REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.
- **Price-Risk or Interest-Rate Risk:** REITs & InvITs run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. REITs & InvITs are likely to have volatile cash flows as the repayment dates would not necessarily be pre scheduled.

To mitigate the risks associated with investments in REITs & InvITs, the Scheme will invest in REITS/InvITs, where adequate due diligence and research has been performed by AMC. The AMC also relies on its own research as well as third party research. This involves one-to-one meetings with the managements, attending conferences and analyst meets and also teleconferences. The analysis will focus, amongst others, on the strength of management, predictability and certainty of cash flows, value of assets, capital structure, business prospects, policy environment, volatility of business conditions, etc.

In cases, where investors have not specified the mode of dividend i.e. payout, reinvestment, dividend sweep, the default mode will be reinvestment.

If the dividend amount is less than Rs. 100/-, the entire dividend amount shall be compulsorily reinvested and no dividend payout will be made.

Under Dividend Sweep Plan, All unit holders in the dividend option of the scheme can transfer their dividend to any open ended schemes (as and when made available for subscription) of IDBI Mutual Fund Under dividend Sweep Plan (DSP). Minimum dividend in the scheme required to avail DSP is Rs.1000/-. If an Investor has opted for DSP and amount is less than Rs.1000, the dividend amount will be reinvested and no sweep will be made.

If investors apply for subscription of units under any Plans / Options, the minimum subscription limits for new purchases/additional purchases/SIP will apply to each Plan / Option.

Please note that IDBI Flexi Cap Fund not assure any dividend under any sub-options in the Dividend option. Declaration of dividend is subject to the availability of

	distributable surplus, if any, in the scheme and at the discretion of the AMC and Trustee Company.

Expenses of the Scheme

i) Load Structure

Entry Load (For normal transactions / Switch-in and SIP) – Not applicable

SEBI vide its circular no. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 has decided that there shall be no entry Load for all Mutual Fund Schemes

Exit Load (Redemption/ Switch-out/ Transfer/ SWP): 1% for exit within 12 months from the date of allotment.

The exit load will be applicable for both normal transactions and SIP transactions. In case of Systematic Investment Plan (SIP) transactions, the date of allotment for each installment for subscription will be reckoned for charging exit load on redemption.

SEBI vide circular Ref no: CIR/IMD/DF/21/2012 dated September 13, 2012 and notification dated September 26, 2012 requires, the exit load, if any, charged by mutual fund scheme to be credited to the respective scheme after debiting applicable GST, if any on the next business day.

No exit load shall be levied for switching between Options (Growth/Dividend) under the same Plan (Regular/Direct) within a Scheme. Switch of investments from Regular Plan to Direct Plan under the same Scheme shall be subject to applicable exit load, unless the investments were made directly i.e. without any distributor code. However, any subsequent switch-out or redemption of such investments from Direct Plan will not be subject to any exit load.

No exit load shall be levied for switch-out from Direct Plan to Regular Plan within the same Scheme. However, any subsequent switch-out or redemption of such investment from Regular Plan shall be subject to exit load based on the date of switch-in of investment into the Regular Plan.

No exit load will be levied on Bonus Units (if any) and Units allotted on Dividend Re-investment.

ii) Recurring Expenses

As per regulation 52(6A)(C) the total annual recurring expenses of the scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund

or by the AMC, but including the investment management and advisory fee shall be subject to the following limits

Assets under management Slab (In Rs. Crore)	Total expense ratio limits
on the first Rs.500 crores of the daily net assets	2.25%
on the next Rs.250 crores of the daily net assets	2.00%
on the next Rs.1,250 crores of the daily net assets	1.75%
on the next Rs.3,000 crores of the daily net assets	1.60%
on the next Rs.5,000 crores of the daily net assets	1.50%
On the next Rs.40,000 crores of the daily net assets	Total expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof.
On balance of the assets	1.05%

As per regulation 52(6A) of SEBI (MF) Regulations,1996, the AMC may charge the scheme with following additional expense.

- a) expenses not exceeding of 0.30% of daily net assets, if the new inflows from beyond top 30 cities (or such cities as specified by the Board from time to time) are at least -

(i) 30% of gross new inflows in the scheme,

or;

(ii) 15% of the average assets under management (year to date) of the scheme,

Whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub- clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis by using the following formula.

$$\frac{\text{Daily net assets} \times 30 \text{ basis points} \times \text{New inflows from beyond top 15 cities}}{365^* \times \text{Higher of (i) or (ii) above}}$$

* 366, wherever applicable.

Provided further that expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities:

Further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment;

The top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on 'AUM by Geography – Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

b) Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of regulation 52 of SEBI (Mutual Fund) (Second Amendment) Regulations, 2012, not exceeding 0.05% of daily net assets of the scheme.”

The AMC has estimated that annual recurring expenses of up to 2.25%p.a of the daily net assets may be charged to the Scheme without including the additional expense incurred towards distribution of assets to cities beyond Top 30 cities. The maximum expense including additional expense towards distribution of assets to cities beyond Top 30 cities, if any, will not exceed 2.60% p.a of the daily net assets that may be charged to the Scheme.

Investors making investments directly with the mutual fund under the direct plan will be benefitted with a lower expense ratio excluding distribution expenses, commission, etc and no commission shall be paid from such plans.

If the expenses exceed the limits stated above, expenses incurred in excess of the limits stated above shall be borne by the AMC.

Investor Education and Awareness

Mutual Funds/AMCs shall annually set apart at least 2 basis points (0.02%) on daily net assets within the maximum limit of TER as per regulation 52 of the Regulations for investor education and awareness initiatives.

Goods and Services Tax (GST)

- The AMCs may charge GST on investment and advisory fees to the scheme in addition to the maximum limit of TER as prescribed in regulation 52 of the Regulations.
- GST on other than investment and advisory fees, if any, shall be borne by the scheme within the maximum limit of TER as per regulation 52 of the Regulations.
- GST on brokerage and transaction cost paid for asset purchases, if any, shall be within the limit prescribed under regulation 52 of the Regulations.

For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund (www.idbimutual.co.in). Further, any change in the expense ratio will be updated on our website and the same change will be communicated to investor via SMS / e-mail 3 working days prior to the effective date of change (not applicable for changes in TER due to change in AUM or due to various other regulatory requirement). The exact web link for TER is <https://www.idbimutual.co.in/statutory-disclosure/total-expense-ratio-of-mutual-fund-schemes>.

Unitholders' Information**Account Statement:**

The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 Business Days from the date of closure of the Initial Subscription or from the receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number.

Consolidated Account Statement (CAS):

As a first step in the direction to create one record for all financial assets of every individual, SEBI has advised Depositories and AMCs, vide Circular No.CIR/MRD/DP/31/2014 dated November 12, 2014, to enable a single consolidated view of all the investments of an investor in Mutual Funds (MF) and securities held in demat form with the Depositories. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS. In other cases (i.e. PANs with no demat account and only MF units holding), the AMCs / MF-RTAs shall continue to send the CAS to their unit holders on or before tenth day of succeeding month of allotment, as is being done presently, in compliance with Regulation 36(4) of the SEBI (Mutual Funds) Regulations, 1996.

Where statements are presently being dispatched by email either by the Mutual Funds or by the Depositories, CAS shall be sent through email. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form. If there is any transaction in any of the demat accounts of the investor or in any of his mutual fund folios, then the depositories shall consolidate and dispatch the CAS within ten days from the month end. In case if there is no transaction in any of the mutual fund folio and demat accounts then CAS with holding details shall be sent to investor on half yearly basis.

The consolidated account statement will also contain details all the transactions and holding at the end of month including transaction charges paid to the distributor across all schemes of all mutual funds.

Please note that, no monthly statements will be issued to the unit holders of the schemes, either by Depositories or by Mutual Fund / AMC, unless a transaction is recorded in the month for which the statement is issued.

Half Yearly Consolidated Account Statement:

CAS detailing holding across all schemes at the end of every half-year (i.e. September/ March), on or before 10th day of succeeding month, shall be sent by mail/ email to all Unit holders holding units in non- demat form, excluding those Unit holders who do not have any holdings in the schemes of the Fund and where no commission against their investment has been paid to distributors, during the concerned half-year period. The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is registered with the Fund, unless a specific request is made to receive in physical.

Note: Pursuant to SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2016/89 dated September 20, 2016, the following additional disclosures will be provided in the CAS issued to the investors:

Each CAS shall also provide the total purchase value / cost of investment in each scheme.

CAS issued for the half-year ended September / March) shall also provide (i) the amount of actual commission paid by the AMC/ Fund to distributors (in absolute terms) during the half-year period, and (ii) the scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

The term 'commission' refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by the AMC/Fund to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as GST (wherever applicable, as per existing rates), operating expenses, etc.

For investors holding demat accounts, provision to opt out of the facility of Securities Consolidated Account Statement (SCAS) shall be given by Depositories. Transaction for this purpose shall include Purchase, Redemption, Switch, Dividend Payout, etc.

For those Unit holders who have provided an e-mail address, the account statement, annual report or abridged annual report shall be sent by e-mail and no separate Physical account statement, annual report or abridged annual report will be issued. Investors who have not provided an email id and investors who have specifically requested for physical documents despite providing the email id will continue to receive the documents mentioned above in physical form. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

The Unitholder may request for a physical account statement by writing/calling the AMC/ISC/R&T.

Disclosures: Portfolio: Mutual fund/AMC will disclose portfolio of the Scheme (along with ISIN) as on the last day of the month/ half year for all their schemes in the format prescribed by SEBI in its website and on the website of AMFI within 10 days from the close of each month/ half year respectively in a user-friendly and downloadable spreadsheet format.

In case of Unitholders whose e-mail addresses are registered, the Mutual Funds/ AMC shall send via email both the monthly and half-yearly statement of scheme portfolio within 10 days from the close of each month/ half-year respectively.

Mutual Fund/ AMC shall publish an advertisement every half-year disclosing the hosting of the half-yearly statement of its schemes portfolio on their respective website and on the website of AMFI. Such advertisement shall be published in the all India edition of at least two daily newspapers, one each in English and Hindi.

An Unitholder can also request for a physical or electronic copy of the statement of

	<p>scheme portfolio through SMS, telephone, email or through letter. <p>Transaction Charges</p>	<p>As per SEBI circular Cir/ IMD/ DF/13/ 2011 dated August 22, 2011 the distributor is entitled to charge a transaction charge per subscription of Rs. 10,000/- and above. However, there shall be no transaction charges on direct investments. The transaction charge shall be subject to the following:</p> <p>i. For existing investors in a Mutual Fund, the distributor may be paid Rs.100/- as transaction charge per subscription of Rs. 10,000/- and above.</p>

- ii. **The distributor may be paid Rs.150/- as transaction charge for a first time investor in Mutual Funds.**
- iii. **The transaction charge, if any, shall be deducted by the AMC from the subscription amount and paid to the distributor; and the balance shall be invested.**
- iv. **The AMCs shall be responsible for any malpractice/mis-selling by the distributor while charging transaction costs.**
- v. **There shall be no transaction charge on subscription below Rs.10, 000/-**
- vi. **In case of SIPs, the transaction charge shall be applicable only if the total commitment through SIPs amounts to Rs. 10,000/- and above. In such cases the transaction charge shall be recovered in 3-4 installments.**
- vii. **There shall be no transaction charge on transactions other than purchases/ subscriptions relating to new inflows.**
- viii. **The statement of account shall clearly state that the net investment as gross subscription less transaction charge and the number of units allotted against the net investment.**
- ix. **Distributors shall be able to choose to opt out of charging the transaction charge. However, the 'opt-out' shall be at distributor level and not investor level i.e. a distributor shall not charge one investor and choose not to charge another investor. Further, Distributors shall have also the option to either opt in or opt out of levying transaction charge based on type of the product.**

It is also clarified that as per SEBI circular no. SEBI/IMD/CIR No. 4/ 168230/09, dated June 30, 2009, upfront commission to distributors shall continue to be paid by the investor directly to the distributor by a separate cheque based on his assessment of various factors including the service rendered by the distributor.
