8. Loads

- **Entry Load (For normal transactions / Switch-in and SIP) – Not applicable**

SEBI vide its circular no. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009 has decided that there shall be no entry Load for all Mutual Fund Schemes. The upfront commission, if any, to the distributor on the investment made by the investor will be paid by the investor directly to the distributor, based on his assessment of various factors including the service rendered by the distributor.

- **Exit load (Redemption / Switch-out / Transfer / SWP) –**

- If units of the Scheme are redeemed or switched out up to 10% of the units (the limit) within 12 months from the date of allotment - Nil.
- If units of the scheme are redeemed or switched out in excess of the limit within 12 months from the date of allotment - 1% of the applicable NAV.
- If units of scheme are redeemed or switched out after 12 months from the date of allotment - Nil.

The exit load will be applicable for both normal transactions and SIP transactions. In case of SIP, the date of allotment for each installment for subscription will be reckoned for charging exit load on redemption.

SEBI vide circular Ref no: CIR/IMD/DF/21/2012 dated September 13, 2012 and notification dated September 26, 2012, has stipulated that the exit load, if any, charged by mutual fund scheme (s) shall be credited to the respective scheme (s) after debiting applicable GST, if any.

For further details on load structure refer to the section 'Load Structure' in this document.

9. Minimum Application Amount

Investments above the minimum amount mentioned, shall be made in multiples of Re. 1 for all SIP irrespective of frequency of SIP or the Option.

The minimum application amounts listed above does not apply in case of Dividend Reinvestment/Transfers.

I. INTRODUCTION

A. RISK FACTORS

I. Standard Risk Factors:

1. Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
2. As the price / value / interest rate of the securities in which the scheme invests fluctuates, the value of your investment in the scheme may go up or down depending on the various factors and forces affecting the capital markets and money markets.
3. Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the scheme of the Mutual Fund.
4. The name of the scheme does not in any manner indicate either the quality of the scheme or its future prospects and returns.
5. The Sponsor is not responsible for any loss or shortfall resulting from the operations of the scheme beyond the initial contribution of Rs. 20 lakhs made by it towards setting up the Fund and/or such other accretions / additions to the same made from time to time.
6. The present scheme offered by IDBI Mutual Fund is not a guaranteed or assured return scheme.

II. Scheme Specific Risk Factors

1. The Trustees, AMC, Mutual Fund, their directors or their employees shall not be liable for any tax consequences that may arise in the event that the scheme is wound up for the reasons and in the manner provided under the Scheme Information Document & Statement of Additional Information.
2. Trading volumes and settlement periods may inherently restrict the liquidity of the scheme's investments. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees have the right in their sole discretion to limit redemptions (including suspending redemptions) under certain circumstances.
3. The Mutual Fund is not assuring any dividend nor is it assuring that it will make any dividend distributions. All dividend distributions are subject to the availability of distributable surplus and would depend on the performance of the scheme and will be at the discretion of the AMC.
4. Redemption by the unit holders due to change in the fundamental attributes of the scheme or due to any other reasons may entail tax consequences. The Trustees, AMC, their directors or their employees shall not be liable for any tax consequences that may arise.
5. Different types of securities in which the Scheme / Plans would invest as given in the SID carry different levels of risk. Accordingly the Scheme's / Plan's risk may increase or decrease depending upon the investment pattern. For e.g. corporate bonds carry a higher amount of risk than Government Securities. Further even among corporate bonds, bonds which are AAA rated, are comparatively less risky than bonds, which are AA rated.

6. The tax benefits described in the SID are as available under the present taxation laws and are available subject to relevant condition. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Investors and Unit Holders should be aware that the relevant fiscal rules or their interpretation may change. As in the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of the investment in the Scheme(s) will endure indefinitely. In view of the individual nature of tax consequences, each Investor / Unit holder is advised to consult his/her/its own professional tax advisor.

III. Risks associated with investment in equity and equity related instruments

Equity shares and equity related instruments are volatile and prone to price fluctuations on a daily basis. The volatility in the value of the equity and equity related instruments is due to various micro and macro-economic factors affecting the securities markets. This may have adverse impact on individual securities /sector and consequently on the NAV of Scheme. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risks.

The inability of the Scheme to make intended securities purchases due to settlement problems could cause the Scheme to miss certain investment opportunities as in certain cases, settlement periods may be extended significantly by unforeseen circumstances. Similarly, the inability to sell securities held in the scheme portfolio may result, at times, in potential losses to the scheme, should there be a subsequent decline in the value of the securities held in the scheme portfolio.

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme(s). Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme can go up or down because of various factors that affect the capital markets in general.

To mitigate risks associated with investments in equity and equity related instruments, the AMC will ensure that they invest in sufficiently large number of issuers spread across the sectors so as to maintain Optimum diversification and keep issuer/sector specific concentration risk relatively low. The Fund Manager will invest in companies identified through a robust in-house research process for its investments merits – competitive position, earnings growth, management quality, etc. – and will be monitored on an ongoing basis to minimize company/sector specific risks. The Fund Manager may also use derivatives tools as appropriate to hedge against market/company specific risks.

IV. Risks associated with investments in Debt and Money market Instruments

Credit risk: This risk arises due to any uncertainty in counterparty's ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest. Government Securities have zero credit risk while other debt instruments are rated according to the issuer's ability to meet the obligations.

The AMC seek to manage credit risk by restricting investments only to investment grade securities. Regular review of the issuer profile to monitor and evaluate the credit quality of the issuer will be carried out.

Interest Rate risk: Fixed income securities such as government bonds, corporate bonds, and money market instruments and derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Liquidity risk: The liquidity of a bond may change depending on market conditions leading to changes in the liquidity premium linked to the price of the bond. At the time of selling the security, the security can become illiquid leading to loss in the value of the portfolio.

The AMC will endeavour to mitigate liquidity risk by mapping investor profile and potential redemption expectations into the portfolio construction to allow the scheme to liquidate assets without significantly impacting portfolio returns.

Reinvestment risk: This risk arises from uncertainty in the rate at which cash flows from an investment may be reinvested. This is because the bond will pay coupons, which will have to be reinvested. The rate at which the coupons will be reinvested will depend upon prevailing market rates at the time the coupons are received.

The AMC will endeavor to manage this risk by diversifying investments in instruments with appropriate maturity baskets.

V. Risks associated with Investing in Derivatives

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

There are certain risks inherent in derivatives. The Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the “counterparty”) to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices, illiquidity risk whereby the Scheme may not be able to sell or purchase derivative quickly enough at a fair price. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments. The AMC may use various derivative products, as permitted and within the limits prescribed by SEBI and the RBI from time to time, in an attempt to optimize the value of the portfolio and enhance Unit holder’s interest/value of the Scheme.

Price Risk: Despite the risk mitigation provided by various derivative instruments, there remains an inherent price risk which may result in losses exceeding actual underlying.

Default Risk: This is the risk that losses will be incurred due to default by counter party. This is also known as credit risk or counterparty risk.

Basis Risk – This risk arises when the derivative instrument used to hedge the underlying asset does not match the movement of the underlying being hedged for e.g. mismatch between the maturity date of the futures and the actual selling date of the asset

Limitations on upside: Derivatives when used as hedging tool can also limit the profits from a genuine investment transaction.

Liquidity risk: Pertains to how saleable a security is in the market. All securities/instruments irrespective of whether they are equity, bonds or derivatives may be exposed to liquidity risk (when the sellers outnumber buyers) which may impact returns while exiting opportunities.

The AMC will monitor the overall economic and credit environment including the systemic liquidity on a regular basis and the outlook will be integrated into the risk control and monitoring of the Scheme to control the risk emanating from derivative investments.

VI. Risks associated with Short Selling

Scheme shall not engage in short selling.

VII. Risks associated with Securities Lending

There are risks inherent to securities lending, including the risk of failure or bankruptcy of the counter party, leading to non-compliance with the terms of the agreement by the counterparty. Such failure can result in the possible loss of rights to the collateral, the inability of the counterparty to return the securities deposited by the lender and the possible loss of any corporate benefits accruing thereon.

VIII. Risks associated with investing in unrated securities

Investing in unrated securities will be riskier compared to investment in rated instruments due to non-availability of third party assessment on the repaying capability of the issuer. Any investment in unrated securities will be carried out only after obtaining the general approval from Board of Trustees and Board of AMC. The Mutual Fund will carry out internal rating exercise for all unrated instruments in which the Fund Manger plans to make investments and assign a proxy rating. Investments in unrated instruments will only be made in instruments with proxy rating of A1+/ AA+ or above.

IX. Risks associated with investing in Liquid Funds offered by Mutual Funds

To the extent of the investments in liquid mutual funds, the risks associated with investing in liquid funds like market risk, credit & default risk, liquidity risk, redemption risk including the possible loss of principal etc. will exist

X. Risk Factors Associated with Investments in REITs and InvITS:

The below are some of the common risks associated with investments in REITs & InvITS: -

- **Market Risk:** REITs and InvITs are volatile and prone to price fluctuations on a daily basis owing to market movements. AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, settlement periods and transfer procedures.
- **Liquidity Risk:** As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc., the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
- **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- **Regulatory/Legal Risk:** REITs and InvITs being new asset classes, rights of unit holders such as right to information etc. may differ from existing capital market asset classes under Indian Law.
- **Price-Risk or Interest-Rate Risk:** REITs & InvITs run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. REITs & InvITs are likely to have volatile cash flows as the repayment dates would not necessarily be pre scheduled.

To mitigate the risks associated with investments in REITs & InvITs, the Scheme will invest in REITS/InvITs, where adequate due diligence and research has been performed by AMC. The AMC also relies on its own research as well as third party research. This involves one-to-one meetings with the managements, attending conferences and analyst meets and also teleconferences. The analysis will focus, amongst others, on the strength of management, predictability and certainty of cash flows, value of assets, capital structure, business prospects, policy environment, volatility of business conditions, etc.

An investor, by subscribing or purchasing an interest in the Product(s), will be regarded as having acknowledged, understood and accepted the disclaimer referred to in Clauses above and will be bound by it.

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. However, if such limit is breached during the NFO of the Scheme, the Fund will endeavor to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme,

whichever is earlier, the Scheme complies with these two conditions. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2) (c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard. The 25% exposure to the corpus of the scheme shall be calculated at the portfolio level.

C. SPECIAL CONSIDERATIONS

- Investors should study the Scheme Information Document carefully in its entirety and should not construe the contents thereof as advice relating to legal, taxation, investment or any other matters. Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest/redeem Units.
- Neither this SID and SAI nor the units have been registered in any jurisdiction. The distribution of this SID or SAI in certain jurisdictions may be restricted or totally prohibited to registration requirements and accordingly, any person who comes into possession of this SID or SAI is required to inform themselves about and to observe any such restrictions and/ or legal compliance requirements of applicable laws and Regulations of such relevant jurisdiction. Any changes in SEBI/Stock Exchange/RBI regulations and other applicable laws/regulations could have an effect on such investments and valuation thereof.
- The AMC, Trustee or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this SID or SAI or as provided by the AMC in connection with this offering. Prospective Investors are advised not to rely upon any information or representation not incorporated in the SID or SAI or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustee.
- The tax benefits described in this Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her own professional tax advisor.
- Redemption by the Unit holder due to change in the fundamental attributes of the Scheme(s) or due to any other reasons may entail tax consequences. The Trustee,

AMC, Mutual Fund, their directors or their employees shall not be liable for any such tax consequences that may arise.

- The Mutual Fund/AMC and its empanelled Brokers have not given and shall not give any indicative portfolio and indicative yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/portfolio with regard to the scheme.

Compliance with Foreign Accounts Tax Compliance Act “FATCA” / Common Reporting Standards “CRS”

FATCA is a tax reporting regime that obligates all financial institutions to report information to the relevant tax authorities about U.S reportable persons and certain entities in which U.S. persons hold a substantial ownership interest. India signed the Inter-Governmental Agreement (IGA) with the U.S. on 9th July, 2015.

CRS is the OECD’ & G-20’s Model Competent Authority Agreement for multilateral tax information sharing. It enables automatic exchange of tax information based on the Standard through bilateral tax treaty networks. India signed the CRS Agreement on 3rd June, 2015.

The Central Board of Direct Taxes has notified Rules 114F to 114H, as part of the Income-tax Rules, 1962, which requires Indian financial institutions/Intermediaries to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our unit holders. Accordingly it is requested that all prospective investors in the Scheme shall provide the details required under FATCA/CRS as sought in scheme application form. This information may have to be reported to tax authorities / appointed agencies, as directed by them. Further, we may also be required to provide this information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto.

Should there be any change in any information provided by you, please ensure you advise us promptly, i.e., within 30 days. Please note that you may receive more than one request for information if you have multiple relationships with IDBI Asset Management Ltd. or its group entities. If you have any question about your tax residency, please contact your tax advisor. Further, if any investor is a Citizen or resident or green card holder or tax resident of a country other than India, please include all such countries in the Tax Resident Country information field along with “Tax Identification Number” or any other relevant reference ID/ Number. If you are a US citizen or resident or green card holder, please include United States in the foreign country information field along with your US Tax Identification Number. It is mandatory to supply a TIN or functional equivalent if the country in which you are tax resident issues such identifiers. If no TIN is yet available or has not yet been issued, please provide an explanation and attach this to the application form.

For further details please refer KIM cum application form.

FATCA/CRS provisions are relevant not only at on-boarding stage of investor(s)/unit holder(s) but also throughout the life cycle of investment with the Fund/the AMC.

The Fund/AMC reserves the right to reject any application or redeem the units held directly or beneficially and may also require reporting of such accounts/levy of withholding tax on payments made to investors, in case the applicant/investor(s) fails to furnish the relevant information and/or documentation in accordance with the FATCA/CRS provisions, notified.

Investors(s)/Unit holder(s) should consult their own tax advisors to understand the implications of FATCA/CRS provisions/requirements. It is the responsibility of the investor to ensure that they record their correct tax status / FATCA/ CRS classification. Existing investors of the Fund are also advised to download the FATCA/CRS declaration form from the Mutual Fund's website (www.idbimutual.co.in) and submit the duly filled FATCA declaration form to the AMC or KFIN Technologies Private Limited for necessary updation in the records.

The AMC reserves the right to change/modify the provisions mentioned above in response to any new regulatory development which may require doing so at a later date.

Ultimate Beneficial Owner: -

Pursuant to guidelines on identification of Beneficial Ownership issued vide SEBI circular no. CIR/MIRSD/2/2013 dated January 24, 2013, investors (other than Individuals) are required to provide details of Ultimate Beneficial Owner(s) ('UBO'). A "Beneficial owner" is defined as a natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes a person who exercise ultimate effective control over a legal person or arrangement. In this regard, all categories of investors (except individuals, companies listed on a stock exchange or majority-owned subsidiary of such companies) are required to provide details about beneficial ownership for all investments.

The Fund reserves the right to reject applications/restrict further investments or seek additional information from investors who have not provided the requisite information on beneficial ownership. In the event of change in beneficial ownership, investors are requested to immediately update the details with the Fund/Registrar. The Ultimate Beneficial Owner means 'Natural Person', who, whether acting alone or together, or through one or more juridical person, exercises control through ownership or who ultimately has a controlling ownership interest of / entitlements to

- i. more than 25% of shares or capital or profits of the juridical person, where the juridical person is a company;
- ii. more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership; or
- iii. more than 15% of the property or capital or profits of the juridical person, where the juridical person is a unincorporated association or body of individuals.

In case of a Trust, the settler of the trust, the trustees, the protector, the beneficiaries with 15% or more of interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership is considered as the UBO.

Non-Individual investors who are not the ultimate beneficial owners of the investments, must mandatorily enclose a Declaration for Ultimate Beneficial Ownership duly signed by the authorized signatory along with the purchase application for units of schemes of IDBIMF.

Central Know Your Client: -

Individual investors investing in the mutual fund for the first time, who are not KYC compliant under the KYC Registration Agency ("KRA") regime, shall use the new CKYC form for complying with the CKYC requirements.

Individual investors, who have completed CKYC, can invest in the Mutual Fund using their 14 digit KYC Identification Number ("KIN"). In case of minors, the KIN of the guardian shall be applicable.

However, there can be no assurance that the investment objective of the Scheme will be realized.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

a. Asset Allocation Pattern

The asset allocation pattern for the scheme under normal circumstances is detailed in the table below: -

Instrument	Indicative allocation (% of total assets)		Risk Profile
	Minimum	Maximum	
Equity and Equity related instruments	65%	100%	High
Debt and Money Market Instruments including Tri party Repo	0%	35%	Low to Medium
Units issued by Real Estate Investment Trusts (REITs) & Infrastructure Investment Trusts (InvITs)	0%	10%	Medium to High

The scheme may invest up to 50% of Net Assets of Scheme into equity derivatives instruments. Investment in derivatives shall be for hedging, portfolio balancing and such other purposes as maybe permitted from time to time. All investments in derivative instruments shall be subject to the limits mentioned in SEBI circular ref. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010.

The Scheme will not invest in ADRs/GDRs, foreign securities / securitized debt.

The investments may be made in primary as well as secondary markets. The portfolio will be sufficiently diversified so as to reduce the risk of underperformance due to unexpected security specific factors.

The scheme may also enter into repurchase (repo) agreement and reverse repurchase agreement in government securities held by it as per the guidelines and regulations applicable to such transactions. The scheme will invest in Repo in Corporate Debt Securities.

The scheme will not write options or purchase instruments with embedded written options. The total exposure related to option premium paid will not exceed 20% of the net assets of the scheme.

Pending deployment of funds as per the investment objective of the Scheme, the funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits issued by SEBI vide its circular dated April 16, 2007 and September 20, 2019 as may be amended from time to time. Short-term fixed deposits shall be held in the name of the Scheme and the duration of such fixed deposit shall not exceed 91 days from the date of deposit.

The Scheme shall not engage in short selling. Scheme may participate in securities lending and borrowing as specified by SEBI.

The scheme shall not deploy more than 20% of its net asset in securities lending and not more than 5% in securities lending to any single counterparty. The Scheme may also participate in securities lending to augment its income. Securities lending in the scheme will be in accordance with the guidelines on securities lending and borrowing scheme and modifications issued by SEBI from time to time such as circular no. MRD/DoP/SE/Dep/Cir-14 /2007 dated December 20, 2007 circular no. MRD/DoP/SE/Cir- 31/2008 dated October 31, 2008, circular no. MRD/DoP/SE/Dep/Cir- 01 /2010 dated January 06, 2010, circular no. The cumulative gross exposure under the Scheme through Equity and Equity related Instruments, Money market instruments, debt instruments, units of mutual fund schemes, units of InvIT and REIT and gross exposure to derivatives, will not exceed 100% of the net assets of the scheme.

Subject to the Regulations, the asset allocation pattern indicated above may change from time to time keeping in view market conditions and investment opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the AMC, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the asset allocation pattern will be for short term and defensive considerations.

In the event of asset allocation falling outside the limits specified in the asset allocation table, the fund manager will rebalance the same within 30 days from the date of deviation. If the rebalancing couldn't be completed within the 30 days, the details of such instances will be reported to the Trustees for taking necessary remedial measures. Though every endeavor will be made to achieve the objectives of the Scheme, the AMC/Sponsors/Trustees do not guarantee that the investment objectives of the Scheme will be achieved.

No guaranteed returns are being offered under the scheme.

b. Debt and Money Market in India

Debt Market in India

The debt market is active since the mid 1990s with the introduction of major reforms in the debt market such as the auction system for sale of dated government securities, establishing the system of primary dealers to name a few reforms. This market is predominantly gilt oriented and corporate papers became a part of it since late 1990s. Even today, the Government Securities segment is the dominant segment in the debt market with a market capitalization of Rs.26,82,581 Crores comprising over 45% of the total market capitalization of the debt market (29 April 2016, Source: National Stock Exchange). The money market in India consists of the following instruments; treasury bills, commercial papers, certificates of deposits, short Non-Convertible Debentures-fixed and floaters and term lending instruments. The debt market consists of gilts, corporate debt papers and other approved securities (government guaranteed papers). The nature of instruments is in the form of plain vanilla bonds, floaters, zero coupon bonds-deep discounted bonds, securitized papers and structured debt papers. The Wholesale Debt Market segment is available both at National Stock Exchange (NSE) and The Stock Exchange, Mumbai (BSE). The players in Indian debt market are commercial banks, mutual funds, financial institutions, insurance companies and others.

Money Market in India

The money market is a key component of the financial system as it is the fulcrum of monetary operations conducted by the central bank in its pursuit of monetary policy objectives. It is a market for short-term funds with maturity ranging from overnight to one year and includes financial instruments that are deemed to be close substitutes of money. Money market instruments facilitate transfer of large sums of money quickly and at a low cost from one economic unit (business, government, banks, non-banks and others) to

another for relatively short periods of time. RBI has been taking active steps to develop the money market in India with the objective to improve the signaling mechanism for monetary policy while ensuring financial stability. Various reform measures have resulted in a relatively deep, liquid and vibrant money market with a shift from administered and direct to indirect market based instruments of monetary management. For e.g. the call money market was transformed into a pure interbank market, while other money market instruments such as market repo and Tri-party Repo were developed to provide avenues to non-banks, including mutual funds, for managing their short-term liquidity mismatches. The money market in India consists of the following instruments; treasury bills, commercial papers, certificates of deposits, call money, term money, Tri-party Repo, bill rediscounting etc.

The yield ranges (as on May 31, 2020) of various instruments mentioned above, and the factors affecting prices of such securities are given hereunder:

I. Equity and equity related Instruments

The Scheme will predominantly invest in equity and equity related instruments of companies engaged in Banking and Financial services. Scheme will also invest Equity and Equity related instrument of other than Banking & Financial Services Companies. The Scheme also invests derivative instruments like stock future/options and index futures and options, warrants, convertible preference shares etc. as may be permitted by SEBI/RBI from time to time.

II. Units issued by Real Estate Investment Trusts (REITs) & Infrastructure Investment Trusts (InvITs)

The scheme shall invest in REITs / InvITs to the extent mentioned in asset allocation and in line with, SEBI (Mutual Funds) (Amendment) Regulations, 2017.

III. Debt and Money Market instruments

a. Tri-Party Repo

Tri-party repo is a type of repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

b. Reverse Repo

Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price. The transaction results in Tri-party Repo. The scheme shall enter into repo and reverse repo agreement in government securities as per the guidelines and regulations applicable to such transactions. The scheme shall not participate in repos (including reverse repos) in corporate debt securities.

c. Certificate of Deposit (CD) of scheduled commercial banks and development financial Institutions

Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to mobilize bulk deposits from the market at competitive interest rates. The

maturity period of CDs issued by scheduled commercial banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.

d. Commercial Paper (CP)

Commercial Paper (CP) is an unsecured money market instrument issued in the form of a promissory note, generally issued by the corporate, primary dealers and All India Financial Institutions as an alternative source of short term borrowings to fund their operations. CP is traded in secondary market and can be freely bought and sold before maturity. CP can be issued for maturities between a minimum of 15 days and a maximum up to one year from the date of issue.

e. Treasury bill (T-Bill)

Treasury Bills (T-Bills) are instruments of short term borrowing issued by the Government of India or State Governments to meet their short term borrowing requirements. T Bills are promissory notes issued at a discount and for a fixed period. T-Bills are issued for maturities of 91 days, 182 days and 364 days.

f. Securities created and issued by the Central and State Governments

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co-ordination with the RBI.

g. Non-convertible debentures and bonds

Non-convertible debentures as well as bonds are securities issued by companies /Institutions promoted/ owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements. The Scheme may also invest in the non-convertible part of convertible debt securities.

h. Floating rate debt instruments

Floating rate debt instruments are instruments issued by Central / state governments, Corporates, PSUs, etc. with interest rates that are reset periodically. Floating Rate Bonds are securities which do not have a fixed coupon rate. The coupon is re-set at pre-announced intervals by adding a spread over a base rate.

i. Short Term Deposits

Pending deployment of funds as per the investment objective of the Scheme, the Funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits specified by SEBI.

j. Mutual Fund Units-

Units of Liquid Funds or any other schemes offered by Mutual Funds as may be permitted by RBI / SEBI / such other regulatory authority from time to time.

Equity Derivatives

The Scheme may take exposure to derivative instruments for such purposes as may be permitted under the Regulations including hedging and portfolio balancing. The Scheme's exposure to derivative shall be in accordance with the guidelines and limits stipulated under SEBI circular DNP/Cir- 29/2005 dated September 14, 2005, SEBI Circular DNP/Cir-30/2006 dated January 20, 2006 and DNP/Cir-31/2006 dated September 22, 2006 and SEBI Circular Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010. Any Notifications, Guidelines and circulars introduced by SEBI on derivatives from time to time shall automatically apply and forms part of the Scheme Information Documents.

Futures:

Futures are exchange-traded contracts to sell or buy financial instruments for future delivery at an agreed price. There is an agreement to buy or sell a specified quantity of financial instrument on a designated future date at a price agreed upon by the buyer and seller at the time of entering into a contract. To make trading possible, the exchange specifies certain standardized features of the contract. A futures contract involves an obligation on both the parties to fulfill the terms of the contract.

SEBI has permitted futures contracts on indices and individual stocks with maturity of 1 month, 2 months and 3 months on a rolling basis. The futures contracts are settled on last Thursday (or immediately preceding trading day if Thursday is a trading holiday) of each month. Currently, the futures are settled in cash. The final settlement price is the closing price of the underlying stock(s)/index.

Options:

Option is a contract which provides the buyer of the option (also called holder) the right, without the obligation, to buy or sell a specified asset at the agreed price on or up to a particular date. For acquiring this privilege, the buyer pays premium (fee) to the seller. The seller on the other hand has the obligation to buy or sell specified asset at the agreed price and for this obligation he receives premium. The premium is determined considering number of factors such as the market price of the underlying asset/security, number of days to expiry, risk free rate of return, strike price of the option and the volatility of the underlying asset. Option contracts are of two types, viz.: -

Call Option:

The option that gives the buyer the right but not the obligation to buy specified quantity of the underlying asset at the strike price is a call option. The buyer of the call option (known as the holder of call option) can call upon the seller of the option (writer of the option) and buy from him the underlying asset at the agreed price at any time on or before the expiry of the option.

The seller (writer of the option) on the other hand has the obligation to sell the underlying asset if the buyer of the call option decides to exercise his option to buy.

Put Option:

The option that gives the buyer the right but not the obligation to sell is called put option. A Put option gives the holder (buyer) the right to sell specified quantity of the underlying asset at the strike price. The seller of the put option (one who is short Put) however, has

the obligation to buy the underlying asset at the strike price if the buyer decides to exercise his option to sell.

There are two kind of options based on the date of exercise of right. The first is the European Option which can be exercised only on the maturity date. The second is the American Option which can be exercised on or before the maturity date.

Position Limit

- a. The position limits for the Mutual Fund and the schemes of the Mutual Fund shall be as under:

1. Mutual Fund Position limits in equity index option contracts:

The Mutual Fund's position limits in equity index option contracts shall be higher of:

- Rs.500 Crore, or
- 15% of the total open interest in the market in equity index option contracts.

This limit would be applicable on open positions in all option contracts on a particular underlying index.

2. Mutual Fund Position limits in equity index future contracts:

The Mutual Fund's position limits in equity index futures contracts shall be higher of:

- Rs.500 Crore, or
- 15% of the total open interest in the market in equity index futures contracts.

This limit would be applicable on open positions in all futures contracts on a particular underlying index.

3. Additional position limit for hedging

In addition to the position limits at point (i) and (ii) above, the Mutual Fund may take exposure in equity index derivatives subject to the following limits:

- a. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
- b. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

4. Position limit for Mutual Funds for stock based derivative contracts

The Mutual Fund's position limit in a derivative contract on a particular underlying stock, i.e. stock option contracts and stock futures contracts, will be as provided below:-

- For stocks having applicable market-wise position limit (MWPL) of Rs. 500 Crores or more, the combined futures and options position limit shall be 20% of applicable MWPL or Rs. 300 Crores, whichever is lower and within which stock

- futures position cannot exceed 10% of applicable MWPL or Rs. 150 Crores, whichever is lower.
- For stocks having applicable market-wise position limit (MWPL) less than Rs. 500 Crores, the combined futures and options position limit would be 20% of applicable MWPL and futures position cannot exceed 20% of applicable MWPL or Rs. 50 crores whichever is lower.

5. Position limit for each scheme of a Mutual Fund

The scheme-wise position limit / disclosure requirements shall be –

For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:

- 1% of the free float market capitalization (in terms of number of shares), or
- 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).

These position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.

For index based contracts, the Mutual Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

As and when SEBI notifies amended limits in position limits for exchange traded derivative contracts in future, the aforesaid position limits, to the extent relevant, shall be read as if they were substituted with the SEBI amended limits.

Exposure limits for the Scheme:

In accordance with SEBI Circular No. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010; the following exposure limits for investment in derivatives will be applicable to the Scheme: -

1. The cumulative gross exposure through equity, debt and derivative positions shall not exceed 100% of the net assets of the Scheme.
2. The Scheme shall not write options or purchase instruments with embedded written options.
3. The total exposure related to option premium paid shall not exceed 20% of the net assets of the Scheme.
4. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.
5. Exposure due to hedging positions shall not be included in the above mentioned limits subject to the following:
 - a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
 - b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall be added and treated under limits mentioned in point 1 above.
 - c. Any derivative instrument used to hedge shall have the same underlying security as the existing position being hedged.

- d. The quantity of underlying associated with the derivative position taken for hedging purposes shall not exceed the quantity of the existing position against which hedge has been taken.
6. The Scheme may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions shall have to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases shall not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions shall not exceed 10% of the net assets of the scheme.

Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated as exposure for the limit mentioned in point 1 above.

Definition of Exposure in case of Derivative Positions

Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:-

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option bought	Option Premium Paid * Lot Size * Number of Contracts.

In partial modification to SEBI circular no. Cir/IMD/DF/11/2010, dated August 18, 2010 vide Circular SEBI/HO/IMD/DF2/CIR/P/2019/17 dated January 16, 2019, Mutual Fund Schemes (except Index Funds and ETFs) are permitted to write call options only under a covered call strategy for constituent stocks of NIFTY 50 and BSE SENSEX subject to the following:

- a) The total notional value (taking into account strike price as well as premium value) of call options written by a scheme shall not exceed 15% of the total market value of equity shares held in that scheme. In case of any passive breaches, the Scheme shall have 7 trading days to rebalance the portfolio. During the rebalancing period, no additional call options can be written in the Scheme.
- b) The total number of shares underlying the call options written shall not exceed 30% of the unencumbered shares of a particular company held in the scheme. The unencumbered shares in a scheme shall mean shares that are not part of Securities Lending and Borrowing Mechanism (SLBM), margin or any other kind of encumbrances.
- c) In no case, a scheme shall write a call option without holding the underlying equity shares. A call option can be written only on shares which are not hedged using other derivative contracts.
- d) The premium received shall be within the requirements prescribed in terms of SEBI circular dated August 18, 2010 i.e. the total gross exposure related to option premium paid and received must not exceed 20% of the net assets of the Scheme.

- e) The exposure on account of the call option written under the covered call strategy shall not be considered as exposure in terms of SEBI Circular dated August 18, 2010.
- f) The call option written shall be marked to market daily and the respective gains or losses factored into the daily NAV of the respective scheme(s) until the position is closed or expired.

Benefits of writing an option with underlying stock holding (Covered call writing strategy)

Covered call writing is a strategy where a writer (Scheme) will hold a particular stock, and sell in the market a call option on the stock. Here the buyer of the call option now has the right to buy this stock from the writer (Scheme) at a particular price which is fixed by the contract (the strike price). The writer receives a premium for selling a call, but if the call option is exercised, he has to sell the underlying stock at the strike price. This is advantageous if the strike price is the level at which the writer wants to exit his holding / book profits. The writer effectively gains a fixed premium in exchange for the probable opportunity loss that comes from giving up any upside if the stock goes up beyond the strike price.

E. WHAT ARE THE INVESTMENT STRATEGIES?

i. Investment Strategy

To achieve the investment objective, The Scheme will follow a value investing strategy for the management of its portfolio. Value investing is buying into the stocks Which Fund Managers believe are trading at less than its assessed values. The identification of undervalued stocks would involve fundamental analysis.

Scheme will predominantly invest in well-diversified portfolio of companies after taking into consideration various factors such as Earning Potential, Asset Value, Cash Flow, Dividend Yield, Company's competitive advantage etc.

Scheme will study various parameters like the price-to-book (P/B) ratio, price-to-earning (P/E) ratio, dividend yields (D/Y) of companies within its researched universe in order to arrive at potential investment strategies. These will include:

- Buying stocks with a Low Price to Book (P/B) value
- Buying stocks with a Low Price to Earnings (P/E) multiple OR Low Price to Cash flow (P/CF) multiple
- Buying stocks with High Dividend Yield
- Situations where the value of the company would be unlocked due to Mergers and Acquisitions, Restructuring, Recovery potential etc.

The Scheme will also look into other quantitative parameters like Return on Equity (ROE) and Return on Capital Employed (ROCE) to identify stocks which may be available at more favorable valuations when compared with peer group and stocks in applicable benchmark.

The scheme will have no cap or sector bias and seeks to identify undervalued stocks across different market cap / sectors.

The Scheme seeks to identify companies which may be fundamentally strong but are currently not favored due to temporary reasons like poor results, failure with regards to the product launch, factor affecting the industry, etc. and where the market may not have recognized their true potential. The scheme may invest in such undervalued Companies to take advantage of expected price appreciation in the future.

The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI, in an attempt to protect the value of the portfolio and enhance Unit holders' interest.

The value strategy is a blend of Top down and Bottom up strategies, focusing on companies with long track records and excellent managements. The probability of these companies to improve their fundamentals with changing business dynamics is relatively strong. Any stock which will eventually form a part of the portfolio will be analyzed by the in-house equity research team for its investments merits and fundamentals and will be monitored on an on-going basis. In addition to in-house research, external research such as newspapers, database, magazines etc. may be used as an additional source of information.

The Scheme retains the flexibility to invest in the entire range of debt instruments and money market instruments. Investment in Debt securities and Money Market Instruments will be as per the limits in the asset allocation table of the Scheme, subject to permissible limits laid under SEBI (MF) Regulations. Portfolio will be structured to incorporate reasonable liquidity by the use of cash and cash equivalents. In depth credit evaluation of the securities proposed to be invested in will be carried out by the investment team of the AMC for its fixed income investments.

ii. Strategies for investment in derivatives

Concepts and examples of permitted derivative exposure and instruments

The Scheme may invest in various derivative instruments which are permissible under the applicable regulations. Such investments shall be subject to the investment objective and strategy of the Scheme and the internal limits if any, as laid down from time to time. These include but are not limited to futures (both stock and index) and options (stock and index).

Derivatives are financial contracts of pre-determined fixed duration, like stock futures/options and index futures and options, whose values are derived from the value of an underlying primary financial instrument such as: interest rates, exchange rates, commodities, and equities.

Derivatives can be either exchange traded or can be over the counter (OTC). Exchange traded derivatives are listed and traded on stock exchanges whereas OTC derivative transactions are generally structured between two counterparties. Exchange traded derivative contracts in stocks and indices in India are currently cash settled at the time of maturity.

The concept and illustrations provided below are only for the purpose of understanding the concept and uses of derivative instruments. The Scheme may use either Index based derivatives and/or their constituent based derivatives or such other derivative instruments as may be introduced from time to time as permitted under the SEBI Regulations.

Illustration with Index Futures

In case the Nifty 50 near month future contract is trading at say, Rs. 3,510, and the fund manager has a view that it will depreciate going forward; the Scheme can initiate a sale transaction of Nifty futures at Rs. 3,510 without holding a portfolio of equity stocks or any other underlying long equity position. Once the price falls to Rs. 3,400 after say, 20 days, the Scheme can initiate a square-up transaction by buying the said futures and book a profit of Rs. 110.

Correspondingly, if the fund manager has a positive view he can initiate a long position in the index / stock futures without an underlying cash/ cash equivalent subject to the extant regulations.

There are futures based on stock indices as mentioned above as also futures based on individual stocks. The profitability of index /stock future as compared to an individual security will inter-alia depend upon:

- The carrying cost,
- The interest available on surplus funds, and
- The transaction cost.

Example of a typical future trade and the associated costs:

Particulars	Index Future	Actual Purchase of Stocks
Index at the beginning of the month	3500	3500
Price of 1 month future	3510	-
A. Execution cost: Carry and other index future costs	10	-
B. Brokerage cost: Assumed at		
0.2% of Index Future	7.02	
0.25% for spot Stocks		8.75
C. Gains on surplus fund: (Assumed 8% p.a. return on 85% of the money left after paying 15% margin) ($8\% \times 3500 \times 85\% \times 30 \text{ days} / 365$)	19.56	0
Total Cost (A+B-C)	-2.54	8.75

Some strategies that employ stock /index futures and their objectives:

(a) Arbitrage

(1) **Selling spot and buying future:** In case the Scheme holds the stock of a company —All at say Rs. 100 while in the futures market it trades at a discount to the spot price say at Rs. 98, then the Scheme may sell the stock and buy the futures.

On the date of expiry of the stock future, the Scheme may reverse the transactions (i.e. buying at spot & selling futures) and earn a risk-free Rs. 2 (2% absolute) on its holdings without any dilution of the view of the fund manager on the underlying stock.

Further, the Scheme can still benefit from any movement of the price in the upward direction, i.e. if on the date of expiry of the futures, the stock trades at Rs. 110 which would be the price of

the futures too, the Scheme will have a benefit of Rs 10 whereby the Scheme gets the 10% upside movement together with the 2% benefit on the arbitrage and thus getting a total return of 12%. The corresponding return in case of holding the stock would have been 10%.

Note: The same strategy can be replicated with a basket of Nifty- 50 stocks (Synthetic Nifty) and the Nifty future index.

(2) **Buying spot and selling future:** Where the stock of a company —All is trading in the spot market at Rs. 100 while it trades at Rs. 102 in the futures market, then the Scheme may buy the stock at spot and sell in the futures market thereby earning Rs. 2.

Buying the stock in cash market and selling the futures results into a hedge where the Scheme has locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts when there is a convergence between the cash market and the futures market. This convergence enables the Scheme to generate the arbitrage return locked in earlier.

(b) Buying/ Selling Stock future:

When the Scheme wants to initiate a long position in a stock whose spot price is at say, Rs.100 and futures is at 98, then the Scheme may just buy the futures contract instead of the spot thereby benefiting from a lower cost.

In case the Scheme has a bearish view on a stock which is trading in the spot market at Rs.98 and the futures market at say Rs. 100, the Scheme may subject to regulations, initiate a short position in the futures contract. In case the prices align with the view and the price depreciates to say Rs. 90, the Scheme can square up the short position thereby earning a profit of Rs.10 vis a vis a fall in stock price of Rs 8.

(c) Hedging:

The Scheme may use exchange-traded derivatives to hedge the equity portfolio. Both index and stock futures and options may be used to hedge the stocks in the portfolio.

(d) Alpha Strategy:

The Scheme will seek to generate alpha by superior stock selection and removing market risks by selling appropriate index. For example, one can seek to generate positive alpha by buying a bank stock and selling Bank Nifty future.

Execution of these strategies depends upon the ability of the fund manager to identify and execute based on such opportunities. These involve significant uncertainties and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

Option Contracts (Stock and Index)

An Option gives the buyer the right, but not the obligation, to buy (call) or sell (put) a stock at an agreed-upon price during a certain period of time or on a specific date.

Options are used to manage risk or as an investment to generate income. The price at which underlying security is contracted to be purchased or sold is called the Strike Price.

Options that can be exercised on or before the expiration date are called American Options while, Options that can be exercised only on the expiration date are called European Options.

Options Risk / Return Pay-off table

Sr. No	Stock / Index Options	Buy Call	Sell Call	Buy Put	Sell Put
1	View on underlying	Positive	Negative	Negative	Positive
2	Premium	Pay	Receive	Pay	Receive
3	Risk Potential	Limited to premium paid	Unlimited	Limited to premium paid	Unlimited
4	Return Potential	Unlimited	Premium Received	Unlimited	Premium Received

Option contracts are of two types - Call and Put.

Call Option: A call option gives the buyer; the right to buy specified quantity of the underlying asset at the set strike price on or before expiration date and the seller (writer) of call option however, has the obligation to sell the underlying asset if the buyer of the call option decides to exercise the option to buy.

Put Option: A put option gives the buyer the right to sell specified quantity of the underlying asset at the set strike price on or before expiration date and the seller (writer) of put option however, has the obligation to buy the underlying asset if the buyer of the put option decides to exercise his option to sell.

Index Options / Stock Options

Index options / Stock options are termed to be an efficient way of buying / selling an index/stock compared to buying / selling a portfolio of physical shares representing an index for ease of execution and settlement. The participation can be done by buying / selling either Index futures or by buying a call/put option.

The risk are also different when index /stock futures are bought/sold visa- a- vis index/ stocks options as in case of an index future there is a mark to market variation and the risk is much higher as compared to buying an option, where the risk is limited to the extent of premium paid.

The illustration below explains how one can gain using Index call / put option. These same principles of profit / loss in an Index option apply in total to that for a stock option.

Call Option

Suppose an investor buys a Call option on 1 lot of Nifty 50 (Lot Size: 50 units)

- Nifty index (European option).
- Nifty 1 Lot Size: 50 units
- Spot Price (S): 3500
- Strike Price (x): 3550 (Out-of-Money Call Option)
- Premium: 100

Total Amount paid by the investor as premium $[50 \times 100] = 5000$

There are two possibilities i.e. either the index moves up over the strike price or remains below the strike price.

Case 1- The index goes up

○ **An investor sells the Nifty Option described above before expiry:**

Suppose the Nifty index moves up to 3600 in the spot market and the premium has moved to Rs 200 and there are 15 days more left for the expiry. The investor decides to reverse his position in the market by selling his 1 Nifty call option as the option now is In the Money.

His gains are as follows:

- Nifty Spot: 3600
- Current Premium: Rs.200
- Premium paid: Rs.100
- Net Gain: Rs.200- Rs.100 = Rs.100 per unit
- Total gain on 1 lot of Nifty (50 units) = Rs.5000 (50*100)

In this case the premium of Rs.200 has an intrinsic value of Rs.50 per unit and the remaining Rs.150 is the time value of the option.

○ **An investor exercises the Nifty Option at expiry**

Suppose the Nifty index moves up to 3700 in the spot market on the expiry day and the investor decides to reverse his position in the market by exercising the Nifty call option as the option now is in The Money.

His gains are as follows:

- Nifty Spot: 3700
- Premium paid: Rs.100
- Exercise Price: 3550
- Receivable on exercise: 3700-3550 = 150
- Total Gain: Rs.2500 $\{(150-100)*50\}$

In this case the realized gain is only the intrinsic value, which is Rs.50, and there is no time value.

Case 2 - The Nifty index moves to any level below 3550

Then the investor does not gain anything but on the other hand his loss is limited to the premium paid:

Net Loss is Rs.5000 (Loss is capped to the extent of Premium Paid)
(Rs 100 Premium paid*Lot Size: 50 units).

Put Option

Suppose an investor buys a Put option on 1 lot of Nifty 50.

- Nifty 1 Lot Size: 50 units
- Spot Price (S): 3500
- Strike Price (x): 3450 (Out-of-Money Put Option)
- Premium: 30
- Total Amount paid by the investor as premium $[50*30] = 1500$

There are two possibilities i.e. either the index moves over the strike price or moves below the strike price.

Let us analyze these scenarios.

Case 1 - The index goes down

An investor sells the Nifty Option before expiry:

Suppose the Nifty index moves down to 3400 in the spot market and the premium has moved to Rs. 80 and there are 15 days more left for the expiry. The investor decides to reverse his position in the market by selling his 1 Nifty Put Option as the option now is In the Money. His gains are as follows:

- Nifty Spot: 3400
- Premium paid: Rs.30

- Net Gain: Rs.80 - Rs.30 = Rs.50 per unit
- Total gain on 1 lot of Nifty (50 units) = Rs.2500 (50*50)

In this case the premium of Rs.80 has an intrinsic value of Rs.50 per unit and the remaining Rs.30 is the time value of the option.

An investor exercises the Nifty Option at expiry (It is an European Option)

Suppose the Nifty index moves down to 3400 in the spot market on the expiry day and the investor decides to reverse his position in the market by exercising the Nifty Put Option as the option now is In the Money.

His gains are as follows:

- Nifty Spot: 3400
- Premium paid: Rs.30
- Exercise Price: 3450
- Gain on exercise: $3450 - 3400 = 50$
- Total Gain: Rs.1000 $\{(50 - 30) * 50\}$

In this case the realized amount is only the intrinsic value, which is Rs.50, and there is no time value in this case.

Case 2 - If the Nifty index stays over the strike price which is 3450, in the spot market then the investor does not gain anything but on the other hand his loss is limited to the premium paid.

- Nifty Spot: >3450
- Net Loss Rs.1500 (Loss is capped to the extent of Premium Paid)
(Rs 30 Premium paid*Lot Size: 50 units).

iii. Portfolio Turnover

Portfolio Turnover is defined as the lower of the value of purchases or sales as a percentage of the average corpus of the Scheme during a specified period of time.

Due to the inherent nature of the Scheme, it is expected that there could be regular subscriptions and redemptions on an ongoing basis which will require purchase and sale of securities at the portfolio level.

Further, trading opportunities may present themselves from time to time. These trading opportunities may be due to events in the equity markets, opportunities due to perceived valuation mismatches or any other factors where in the opinion of the fund manager there is an opportunity to enhance the total return of the portfolio. In view of the above, it will difficult to provide an estimate/range with a reasonable measure of accuracy for the anticipated portfolio turnover in the Scheme, but it will be the endeavour of the fund manager to maintain a optimal portfolio turnover rate commensurate with the investment objective of the scheme and purchase/ redemption transactions on an ongoing basis in the scheme.

iv. Risk Control

The Mutual Fund has built adequate internal risk management controls and safeguards to ensure that the Scheme is managed in line with the defined investment objectives and in compliance with SEBI (MF) Regulations with respect to issuer exposures and limits. As a primary measure of risk control, the portfolio will be adequately diversified.

The AMC will monitor the overall economic environment, track company specific news, financial performance and liquidity on a regular basis and the outlook will be integrated into the risk

control and monitoring of the Scheme. The AMC will regularly monitor the performance of the Scheme and review the performance against the benchmark index and peer group.

F. FUNDAMENTAL ATTRIBUTES

The following are the Fundamental Attributes of the scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

(i) Type of the scheme

Switching of units is not permitted, however currently made available on BSE Star MF platform Investors have an option to hold the units in physical or dematerialized form. In

order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE has introduced BSE Star MF Platform and NSE has introduced Mutual Fund Service System (MFSS). All trading members of BSE & NSE who are registered with AMFI as Mutual Fund Advisors and registered with BSE & NSE as Participants ("AMFI certified stock exchange brokers" or "Brokers") are eligible to offer this facility to investors. Additionally, the units of the Scheme are permitted to be transacted through Clearing Members of the registered Stock Exchanges. Further, the Depository Participants of registered Depositories are permitted to process only redemption request of units held in demat form.

The units of eligible Schemes are not listed on BSE & NSE and the same cannot be traded on the Stock Exchange. The window for purchase/redemption of units on BSE & NSE are available on business days between 9 a.m. to 3 p.m. or such other timings as may be decided. Investors who are interested in transacting in eligible Scheme/ Plan(s) should register themselves with Brokers/Clearing Members/Depository Participants.

The eligible AMFI certified stock exchange Brokers/Clearing Members/Depository Participants who have complied with the conditions stipulated in SEBI Circular No. SEBI /IMD / CIR No.11/183204/2009 dated November 13, 2009 for stock brokers viz. AMFI /NISM certification, code of conduct prescribed by SEBI for Intermediaries of Mutual Fund will be considered as Official Points of Acceptance (OPA) of the Mutual Fund.

Investors will be able to purchase/redeem units in eligible Plan(s) under the Scheme(s) in the following manner:

Applications for purchase/redemption of units

which are incomplete /invalid are liable to be rejected. Separate folios will be allotted for units held in physical and demat mode. The applicability of NAV will be subject to guidelines issued by SEBI on Uniform cut-off timings for applicability of NAV of Mutual Fund Scheme/ Plan. In case of non-financial requests/ applications such as change of address, change of bank details, etc. investors should approach Official Points of Acceptance of IDBI Mutual Fund if units are held in physical mode and the respective Depository Participant(s) if units are held in demat mode. An account statement will be issued by IDBI Mutual Fund to investors who purchase/ redeem their units under this facility in physical mode. In case of investors who intend to deal in units in depository mode, a demat statement will be sent by Depository Participant showing the credit/debit of units to their account.

Investors will have to comply with Know Your Customer (KYC) norms as prescribed by BSE/NSE/CDSL/ NSDL and the Mutual Fund to participate in this facility. Investors should contact the Official Points of Acceptance of IDBI Mutual Fund for further details.

The facility to transact units through the stock exchange infrastructure shall be in accordance with SEBI Circular No. SEBI /IMD / CIR No.11/183204/ 2009 dated November 13, 2009 and No. CIR/IMD/DF/17/2010 dated November 9, 2010 as amended from time to time as also in accordance with the procedures and guidelines issued by the respective Stock Exchanges and the Depositories from time to time.

The Trustee reserves the right to change/modify the features of this facility at a later date.

Updation of Permanent Account Number (PAN) for transactions in schemes of IDBI Mutual Fund

Investors are requested to note that it is mandatory to update Permanent Account Number (PAN) with respect to all unitholders in the folio. Where the unitholder is a minor, Guardian PAN will have to be updated. Investors are requested to note that effective

October 01, 2019, redemption transactions received in any folio where PAN of all unitholders has not been provided, shall be rejected in case self-attested copy of the PAN card is not submitted alongwith the transaction. Investors may note that the PAN request should be also accompanied with KYC request.

Where the investor is intending to switch / transfer units from one scheme to another, the PAN update request should also be accompanied with a KYC request, if not already done.

Investors can submit the request for PAN update in the folio through a simple request letter, quoting the folio number, or duly filled Updation of PAN form or update / upload through online available on our website www.idbimutual.co.in along with self attested copy of PAN card. It is mandatory to complete the KYC requirements for all unit holders including for all joint holders and the guardian in case of folio of a minor investor for both financial / non-financial requests.

TRANSACTIONS THROUGH "CHANNEL DISTRIBUTORS"

Investors may enter into an agreement with certain distributors (with whom AMC also has a tie up) referred to as "Channel Distributors" who provide the facility to investors to transact in units of mutual funds through various modes such as their website / other electronic means or through Power of Attorney in favour of the Channel Distributor, as the case may be.

Under such arrangement, the Channel Distributors will aggregate the details of transactions (viz. subscriptions/redemptions/switches) of their various investors and forward the same electronically to the AMC / RTA for processing on daily basis as per the cut-off timings applicable to the relevant schemes.

The Channel Distributor is required to send copy of investors' KYC proof and agreement entered into between the investor & distributor to the RTA (one time for central record keeping) as also the transaction documents / proof of transaction authorization as the case

may be, to the AMC / RTA as per agreed timelines. In case KYC proof and other necessary documents are not furnished within the stipulated timeline, the transaction request shall be liable to be rejected.

Normally, the subscription proceeds, when invested through this mode, are by way of direct credits to the specified bank account of the Fund. The Redemption proceeds (subject to deduction of tax at source, if any) and dividend payouts, if any, are paid by the AMC to the investor directly through direct credit in the specified bank account of the investor or through issuance of payment instrument, as applicable.

It may be noted that investors investing through this mode may also approach the AMC / Official Points of Acceptance directly with their transaction requests (financial / non-financial) or avail of the online transaction facilities offered by the AMC. The Mutual Fund, the AMC, the Trustee, along with their directors, employees and representatives shall not be liable for any errors, damages or losses arising out of or in connection with the transactions undertaken by investors / distributors through above mode.

TRANSACTIONS THROUGH WEBSITE OF RTA

Investors can purchase / redeem units of the Scheme through the facility provided on website of KFIN Technologies Private Limited (RTA of the scheme) <https://mfs.kfintech.com/mfs/>.

TRANSACTION THROUGH MF UTILITY

IDBI Asset Management Limited, has entered into an arrangement with MF Utilities India Private Limited (MFUI), a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 for usage of MF Utility ("MFU") a "Shared Services" initiative formed by various Asset Management Companies of SEBI Registered Mutual Funds. MFU acts as a transaction aggregation portal for transacting in multiple Schemes of various Mutual Funds with a single form and a single payment instrument.

Accordingly, all financial and non-financial

transactions for the Schemes can be done through MFU either electronically on www.mfuonline.com as and when such a facility is made available by MFUI or physically through the authorized Points of Service ("POS") of MFUI with effect from the respective dates as published on MFUI website against the POS locations. Investors can refer the list of POS of MFUI available on the website of MFUI at www.mfuindia.com as may be updated from time to time. The Online Transaction Portal of MFU i.e. www.mfuonline.com and the POS locations of MFUI will be in addition to the existing Official Points of Acceptance ("OPA") of the IDBI AMC.

Investors are requested to note that, MFUI will allot a Common Account Number ("CAN"), a single reference number for all investments in the Mutual Fund industry, for transacting in multiple Schemes of various Mutual Funds through MFU and to map existing folios, if any. Investors can create a CAN by submitting the CAN Registration Form (CRF) and necessary documents at the MFUI POS. The AMC and/or its Registrar and Transfer Agent (RTA) shall provide necessary details to MFUI as may be needed for providing the required services to investors/distributors through MFU. Investors are requested to visit the websites of MFUI or the AMC www.idbimutual.co.in to download the relevant forms. Investors transacting through MFU shall be deemed to have consented to exchange of information viz. personal and/or financial (including the changes, if any) between the Fund /the AMC and MFUI and/or its authorized service providers for validation and processing of transactions carried out through MFU.

Investors are also requested to note that, the bank details, Nominee details, Email id and Contact details provided in the CAN registration form will override the existing details in the folios of IDBI Mutual Fund. For details on carrying out transactions through MFU or any queries or clarifications related to MFU, please contact the Customer Care of MFUI on 022-61344316 (during the business hours on all days except Saturday, Sunday and Public Holidays) or send an email to clientservices@mfuindia.com. For any

	<p>escalations and post-transaction queries pertaining to the Scheme(s) of the Fund, the investors should contact the AMC/RTA.</p> <p>The uniform cut-off time as prescribed by SEBI and as mentioned in the SID/ KIM shall be applicable for applications received on the portal of MFUI i.e. www.mfuonline.com. However, investors should note that transactions on the MFUI portal shall be subject to the terms & conditions as stipulated by MFUI/the Fund/ the AMC from time to time and any law for the time being in force. However, the terms & conditions of offerings of the Scheme(s) of the Fund as specified in the SID, KIM and Statement of Additional Information (“SAI”) shall be applicable for transactions through MFU.</p>

SIP is offered on both monthly and quarterly frequency. Unit holders can opt to invest on monthly or quarterly frequency on the following dates- Monthly- 1st, 5th, 10th, 15th, 20th and 25th Day of each month Quarterly- 1st, 5th, 10th, 15th, 20th and 25th of first month of each quarter <p>For e.g. an investor opting for quarterly SIP commencing February in a calendar year will have the following cycle for SIP installments – February, May, August and November. In case the day specified is a non-Business Day, the transaction will be effected on the next Business Day.</p> <ol style="list-style-type: none"> 2. In case the frequency is not specified in the application/enrollment form, it will be deemed as an application for monthly frequency and will be processed accordingly. Further, in case the SIP date falls on a non-business day, then the next business day shall be considered for the purpose of determining applicability

of NAV.

3. In case the SIP date is not specified or in case of ambiguity, the SIP transaction will be processed as of 15th day of every month for monthly frequency / 15th day of a first month of each quarter for quarterly frequency. In case the end date is not specified, the Fund would continue the SIP till it receives termination notice from the investor.

4. Minimum number of installments

- **Monthly option** – Minimum Rs. 500 per month for a minimum period of 12 months or Rs. 1000 per month for a minimum period of 6 months.
- **Quarterly Option** – Minimum Rs.1500 per quarter for a minimum period of 4 quarters.

Investments above the minimum amount mentioned, shall be made in multiples of Re. 1 for all SIP irrespective of frequency of SIP or the Option.

5. Investors can avail SIP facility by submission of current dated local cheque for first installments (no post dated cheque will be accepted) or by submitting NACH/ direct debit instructions.

No outstation cheque will be accepted for the first SIP installment. NACH/direct debit instruction facility is available in select locations specified in application form. The first installment will be processed at Applicable NAV based on time stamping. The second installment will be processed latest for the available SIP date (currently 1st, 5th, 10th, 15th, 20th or 25th of each month/ of first month of each quarter) indicated by the investor, but only after the expiry of 30 (thirty) Days from the date of first installment. Guidelines for filling up the SIP application form are available in the form itself.

6. Cheque (only towards first installment, if any) should be drawn in the name of the Scheme and PAN of the applicant should be written in the cheque e.g. "IDBI Long Term Value Fund A/C XXXXXXXX" (1st Unit holder PAN). The cheque should be Crossed A/C payee.

If the Scheme name on the application form and on the payment instrument is different, the application may be processed and units allotted at applicable NAV of the scheme mentioned in the application / transaction slip duly signed by investor(s).

Investors from the state of Sikkim and investors investing upto Rs.50,000 in lumpsum or installments (including micro SIP) who are exempt from PAN can also draw the first installment cheque in the name of the Scheme and crossed "A/c Payee" e.g. "IDBI Credit Risk Fund A/C XXXXXXXX" (Name of the 1st Holder). Investor should mention SIP Enrollment Form number or folio number on the reverse of cheque accompanying SIP enrollment form.

7. The load structure prevailing at time of each installment of SIP will be the applicable load for that specified SIP installment. Please refer to 'Load Structure' in section 'Fees and Expenses' of Scheme Information Document of the Scheme.
8. Unit holder has a right to discontinue the SIP facility at any time by sending written request to any Official Points of Acceptance, at least 21 calendar days prior to the next NACH/ECS debit/Direct debit. On receipt of such request, the SIP enrollment will be terminated.
9. In case any payment instruction for SIP installment is dishonored by the Bankers for the reason of account of

investor is closed, the AMC would discontinue the SIP immediately and reserves the right to redeem the outstanding units at applicable NAV related prices if total investment is below Rs. 5000/- or 500 units in the Scheme.

10. The AMC reserves the right to discontinue the SIP enrolment in case payment instruction submitted by Unit holder is not honored by Banker on 3 (three) consecutive occasions and reserves the right to redeem the outstanding units at applicable NAV related prices if total investment is below Rs. 5000/- or 500 units in the Scheme.

11. The facility will be automatically terminated upon receipt of intimation of death of the Unit holder.

The AMC reserves right to change the frequency, date(s) or other terms and conditions of SIP.

3. Unique Registration Number (URN) is a number that gets generated through IDBI MF's website after completion of registration of ISIP form. Investor is

required to register the said URN with the same bank as opted at the time of registration of ISIP within 7 calendar days from the date of URN allotment.

4. Once you have registered the URN on your respective bank website under Bill Pay option your ISIP will be activated on the confirmation received from your bank to RTA.

All other terms and conditions of Systematic Investment Plan will also be applicable to ISIP facility. The AMC reserves right to change the frequency, date(s) or other terms and conditions of SIP.

Systematic Transfer Plan (STP)

This facility allows Unit holders to transfer specified fixed sums on periodic basis from one scheme to another schemes launched by the Mutual Fund from time to time by giving a single instruction.

A Unit holder may initiate a Systematic Transfer Plan (STP) by redeeming units of the transfer-out (transferor) Scheme at the prevailing NAV, subject to Exit Load, if any and investing the same amount in the transfer-in (transferee) scheme at prevailing NAV of the transfer-in Scheme. To seamlessly facilitate STP between two Schemes of the Mutual Fund, the investor must comply with the redemption requirements of the transferor scheme and subscription requirements of the transferee scheme.

The Scheme offers STP facility subject to following terms & conditions:

1. STP is being offered with weekly, monthly and quarterly frequency.

Unit holders can opt to invest on weekly, monthly or quarterly frequency on the following dates

weekly frequency - on the first business day of the week

monthly frequency- on 1st, 5th, 10th, 15th, 20th and 25th of each month

quarterly frequency- 1st, 5th, 10th, 15th, 20th and 25th day of first month of each Quarter

For e.g. an investor opting for quarterly STP commencing February in a calendar year will have the following cycle for STP installments – February, May, August and November. In case the date specified is a non-Business Day, the transaction will be effected on next Business Day.

2. In case the frequency is not specified, it will be considered as application for monthly frequency and will be processed accordingly. In case the STP date is not specified or in case of ambiguity, the STP transaction will be processed on 15th day of each month for monthly frequency / 15th day of 1st month of each quarter for quarterly. In case the end date is not specified, the Fund would continue the STP till it receives termination notice from the investor. In case the STP, date falls on a non-business day, then the next business day shall be considered for the purpose of determining applicability of NAV.
3. Minimum balance in the source (transferor) scheme should be Rs. 25,000 at the time of enrollment for STP.
4. Minimum amount for each transfer should be Rs. 1000 and in multiples of Re.1 thereafter for weekly & Monthly frequency, Rs. 2,500 and in multiples of Re.1 thereafter for quarterly frequency.
5. Minimum number of installments should be 12 for weekly & monthly frequency, and 4 for quarterly frequency.
6. The transaction through STP will be subject to applicable exit load in the transferor scheme, if any.
7. In case the investor purchases additional Units in the transferor scheme, the STP facility would be extended to such additional units also.
8. Units marked under lien or pledge in the source scheme will not be eligible for STP.

	<p>9. The unit holder who has opted for STP under a specific scheme can also redeem or switch his units to any other eligible scheme provided he has sufficient balance in his account on the date of such a request.</p> <p>10. In case the unit balance in the transferor scheme is lesser than amount specified by the Unit holders for STP, the AMC will transfer remaining unit balance to transferee scheme.</p> <p>11. The facility will be automatically terminated if the units under the transferor scheme are pledged or upon receipt of intimation of death of the Unit holder.</p> <p>12. The application for start of STP should be submitted to Official Point(s) of Acceptance at least 7 days before the date of commencement / start date of STP. Unit holder may change the amount (but not below the minimum specified) / frequency by giving written notice to any of the Official Point(s) of Acceptance at least 7 days prior to next transfer / STP execution date.</p> <p>13. Unit holder can discontinue STP facility at any time by sending a written notice to any of the Official Point(s) of Acceptance, at least 7 days prior to next transfer / STP execution date.</p> <p>14. The details, including mode of holding, of Unit holders' in the transferee scheme will be as per the existing folio in the transferor scheme. Units in the transferee scheme will be allotted in the same folio.</p> <p>The AMC reserves the right to change the frequency, date(s) or other terms and conditions of STP. The AMC further reserves the right to add new Schemes to the list of Schemes offering STP, as and when made available for subscription or delete Schemes from the list of Schemes offering STP. Systematic Withdrawal Plan (SWP)

This facility allows Unit holders to withdraw a fixed rupee amount (subject to deduction of tax at source, if applicable) on monthly basis by redemption of units in the Unit holders' account. Withdrawal will be both from the unit capital and appreciation (if any) on the invested capital.

To seamlessly facilitate SWP the investor must comply with the redemption requirements of the scheme. The Scheme offers SWP facility subject to following terms & conditions:

1. Unit holder can withdraw the amount on the 25th of each month. In case the 25th of the month is a non-Business Day, the transaction would be effected on the next Business Day.
2. Minimum balance in the Scheme should be Rs. 25,000 at the time of enrollment for SWP.
3. Minimum amount for each withdrawal should be Rs. 1,000 and in multiples of Re.1 thereafter for a minimum period of 6 months
4. In case the investor purchases additional Units in the Scheme under the same folio, the SWP facility would be extended to such units also.
5. The facility will be automatically terminated if the units in the Scheme are pledged or upon receipt of intimation of death of the Unit holder.
6. The redemption under SWP will be subject to applicable Exit Load.
7. The application for start of SWP should be submitted to Official Point(s) of Acceptance at least 7 days before the date of commencement / start date of SWP. Unit holder may change the amount (but not below the minimum specified) / frequency by giving written notice to any of the Official Point(s) of Acceptance at least 7 days prior to next SWP execution date.

	<p>8. Unit holder can discontinue SWP facility at any time by sending a written notice to any of the Official Point(s) of Acceptance, at least 7 days prior to next SWP execution date.</p> <p>9. If the balance under scheme falls below Rs. 5000, then the AMC reserves the right to redeem the balance units.</p> <p>10. SWP will be terminated automatically in case of a Zero balance in the respective Source/Transferor Scheme on SWP execution date or expiry of the enrolment period whichever is earlier.</p> <p>The AMC reserves right to change the frequency, date(s) or other terms and conditions of SWP. Please contact the nearest Investor Service Centre (ISC) of IDBI Mutual Fund for more information on SWP.</p>
<p>Dividend Sweep Plan (DSP)</p>	<p>All unit holders in the dividend options of the Scheme can transfer their dividend to any open ended scheme (as and when made available for subscription) of IDBI Mutual Fund by availing the facility of Dividend Sweep Plan (DSP). Please note that IDBI MF does not assure any dividend under any options in the Scheme.</p> <p>All unit holders in the dividend sweep plan of the Scheme(s) can transfer their dividend to any open ended schemes (as and when made available for subscription) of IDBI Mutual Fund.</p> <p>Declaration of dividend is subject to the availability of distributable surplus, if any, in the scheme and at the discretion of the AMC. Unit holders can opt for the DSP facility subject to the following conditions:</p> <ol style="list-style-type: none"> 1. The frequency of the sweep will depend on the frequency of dividend sub-option by the source Scheme/Option in which the investment has been made. 2. Minimum dividend in the source scheme required to avail DSP is Rs.1000/-. 3. The amount of dividends transferred should meet the minimum investment requirement of the target Scheme

	<p>4. The amount to the extent of the dividend (net of distribution tax if any) will be automatically swept out from the source scheme on the ex-dividend date into the transferee scheme (sweep-in) at the NAV related prices of that scheme and equivalent units will be allotted.</p> <p>5. The details, including mode of holding, of Unit holders' in the transferee scheme will be as per the existing folio in the source scheme. Units in the transferee scheme will be allotted in the same folio.</p> <p>The AMC reserves the right to change the frequency, date(s) or other terms and conditions of DSP. <p>Switching Options</p>	<p>Unit holders under the Scheme holding units in non-demat (physical) form have the option to Switch part or all of their Unit holdings in the Scheme(s) to another scheme(s) established by the Mutual Fund, or within the Scheme(s) from one Plan / Option to another Plan / Option which is available for investment at that time, subject to applicable exit load by submitting switch request to nearest point of service of Mutual Fund.</p> <p>If units are held in Demat mode, switch transactions can be done either through Exchange platforms or after converting to non-demat (physical) mode and by submitting the switch request to nearest point of service of Mutual Fund.</p> <p>This Option will be useful to Unit holders who wish to alter the allocation of their investment among the Scheme(s) / Plan(s) / Option(s) of the Mutual Fund in order to meet their changed investment needs.</p> <p>(a) Inter - Scheme switching option</p> <p>The switch will be effected by way of a redemption of Units from the Scheme at Applicable NAV, subject to Exit load,</p>

if any and reinvestment of the redemption proceeds into another scheme offered by the Mutual Fund at Applicable NAV and accordingly the switch must comply with the redemption rules of the Scheme and the subscription rules of the other scheme.

(b) Intra -Scheme Switching option

Unit holders under the Scheme have the option to switch their Unit holdings from one Option to another Option subject to meeting the minimum investment requirements of scheme. No Exit Load will be charged in respect of such intra-scheme switching in the Scheme.

The switches would be done at the Applicable NAV and the difference between the NAVs of the two options will be reflected in the number of units allotted. However, switches between equity schemes or switches between Options within the same Scheme will attract Securities Transaction Tax as applicable.

Switch of investments from Regular Plan to Direct Plan under the same Scheme shall be subject to applicable exit load, unless the investments were made directly i.e. without any distributor code. However, any subsequent switch-out or redemption of such investments from Direct Plan will not be subject to any exit load.

No exit load shall be levied for switch-out from Direct Plan to Regular Plan. However, any subsequent switch-out or redemption of such investment from Regular Plan shall be subject to exit load based on the date of switch in of investment into the Regular Plan.

Switching shall be subject to the applicable "Cut off time and Applicable NAV". In case of 'switch' transactions from one scheme to another, the allotment shall be in line with

	redemption payouts and realization of funds into the switch-in scheme (where applicable)
Accounts Statements	<p>The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 Business Days from the date of closure of the Initial Subscription or from the receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number</p> <p>Consolidated Account Statement (CAS):</p> <p>As a first step in the direction to create one record for all financial assets of every individual, SEBI has advised Depositories and AMCs, vide Circular No.CIR/MRD/DP/31/2014 dated November 12, 2014, to enable a single consolidated view of all the investments of an investor in Mutual Funds (MF) and securities held in demat form with the Depositories. Consolidation of account statement shall be done on the basis of PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding. For PANs which are common between depositories and AMCs, the Depositories shall send the CAS. In other cases (i.e. PANs with no demat account and only MF units holding), the AMCs / MF-RTAs shall continue to send the CAS to their unit holders on or before tenth day of succeeding month of allotment, as is being done presently, in compliance with Regulation 36(4) of the SEBI (Mutual Funds) Regulations, 1996.</p> <p>Where statements are presently being dispatched by email either by the Mutual Funds or by the Depositories, CAS shall be sent through email. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form. If there is any transaction in any of the demat accounts of the investor or in any of his mutual fund folios, then the depositories shall consolidate and dispatch the CAS within ten days from the month end. In case if there is no transaction in any of the mutual fund folio and demat accounts then CAS with holding details shall be sent to investor on half yearly basis.</p> <p>The consolidated account statement will also contain details all the transactions and holding</p>

at the end of month including transaction charges paid to the distributor across all schemes of all mutual funds.

Please note that, no monthly statements will be issued to the unit holders of the schemes, either by Depositories or by Mutual Fund / AMC, unless a transaction is recorded in the month for which the statement is issued.

Half Yearly Consolidated Account Statement:

CAS detailing holding across all schemes at the end of every half-year (i.e. September/ March), on or before 10th day of succeeding month, shall be sent by mail/ email to all Unit holders holding units in non- demat form, excluding those Unit holders who do not have any holdings in the schemes of the Fund and where no commission against their investment has been paid to distributors, during the concerned half-year period. The half yearly consolidated account statement will be sent by e-mail to the Unit holders whose e-mail address is registered with the Fund, unless a specific request is made to receive in physical.

Note: Pursuant to SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2016/89 dated September 20, 2016, the following additional disclosures will be provided in the CAS issued to the investors:

Each CAS shall also provide the total purchase value / cost of investment in each scheme.

CAS issued for the half-year ended September / March) shall also provide (i) the amount of actual commission paid by the AMC/ Fund to distributors (in absolute terms) during the half-year period, and (ii) the scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

The term 'commission' refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event

	<p>sponsorships etc. by the AMC/Fund to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as GST (wherever applicable, as per existing rates), operating expenses, etc.</p> <p>For investors holding demat accounts, provision to opt out of the facility of Securities Consolidated Account Statement (SCAS) shall be given by Depositories. Transaction for this purpose shall include Purchase, Redemption, Switch, Dividend Payout, etc.</p> <p>For those Unit holders who have provided an e-mail address, the account statement, annual report or abridged annual report shall be sent by e-mail and no separate Physical account statement, annual report or abridged annual report will be issued. Investors who have not provided an email id and investors who have specifically requested for physical documents despite providing the email id will continue to receive the documents mentioned above in physical form. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.</p> <p>The Unitholder may request for a physical account statement by writing/calling the AMC/ISC/R&T.</p>
<p>Dividend</p>	<p>The dividend warrants shall be dispatched to the Unitholders within 30 days of the date of declaration of the dividend.</p> <p>In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the dividend proceeds shall be directly credited to their account.</p> <p>The dividend proceeds will be paid by way of EFT / NEFT / RTGS / Direct credits / any other electronic manner if sufficient numbers of investors opt for a particular transfer facility.</p>

	<p>The dividend will be paid by warrant and payments will be made in favour of the Unit holder (registered holder of the Units or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Mutual Fund (please note that it is mandatory for the Unit holders to provide the Bank account details as per the directives of SEBI).</p> <p>In case of specific request for dividend by warrants or unavailability of sufficient details with the Mutual Fund, the dividend will be paid by way of warrants or any other mode preferred by AMC from time to time.</p>
<p>Redemption</p>	<p>In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the redemption proceeds shall be directly credited to their account. In case of any units jointly held by more than one unit holder the payment of the income and redemption proceeds will be made in the name of first named joint unit holder. In case of redemption request by FIs, the income and redemption proceeds will be made to FI by crediting the same in accounts in India.</p> <p>The redemption or repurchase proceeds shall be dispatched to the Unit holders within 10 business days from the date of receipt of a valid application for redemption or repurchase.</p> <p>Right to limit redemptions</p> <p>Restrictions on redemptions, if any, shall be imposed only as per the stipulations of SEBI circular No. SEBI/HO/IMD/DF2/CIR/P/2016/57 dated May 31, 2016. Such a restriction may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as:</p> <p>i. Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. AMC should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on redemption due to</p>

	<p>illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision shall not be allowed.</p> <p>ii. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.</p> <p>iii. Operational issues – when exceptional circumstances are caused by <i>force majeure</i>, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems.</p> <p>Restriction on redemption shall be imposed only with the approval of the Board of AMC and Trustee Company. Such imposition of restriction shall be immediately intimated to SEBI.</p> <p>The restriction shall be imposed for a specified period of time not exceeding 10 working days in any 90 days period.</p> <p>When restriction on redemption is imposed, following procedure shall be applied by AMC:</p> <ol style="list-style-type: none"> 1. No redemption requests up to INR 2 lakhs shall be subject to such restriction. 2. Where redemption requests are above INR 2 lakhs, AMC shall redeem the first INR 2 lakhs without such restriction and remaining part over and above INR 2 lakhs shall be subject to such restriction.
<p>Delay in payment of redemption / repurchase proceeds</p>	<p>The Asset Management Company shall be liable to pay interest to the Unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).</p>
<p>Delay in payment of dividend proceeds</p>	<p>As per modifications to SEBI Circular SEBI/MFD/CIR/2/266/2000 dated May 19, 2000 vide another circular no. SEBI / IMD / CIR No 14 /</p>

	187175/ 2009 dated December 15, 2009 - The Asset Management Company shall be liable to pay interest to the Unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).
Bank Account details	<p>In order to protect the interest of the Unit Holders from fraudulent encashment of cheques, SEBI has made it mandatory for investors in mutual funds to state their bank account numbers in their application forms and redemption request. Investors should provide these details in the space provided in the application form. This measure is intended to avoid fraud / misuse or theft of warrants in transit. Kindly note that applications not containing these details may be rejected (not applicable for investment made through cash payment). The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques / warrants and / or any delay / loss in transit.</p> <p>Multiple Bank Accounts Registration</p> <p>The AMC/ Mutual Fund provides a facility to the investors to register multiple bank accounts (currently up to 5 for Individuals and 10 for Non - Individuals) for receiving redemption/ dividend proceeds etc. by providing necessary documents. Investors must specify any one account as the "Default Bank Account". The investor, may however, specify any other registered bank account for credit of redemption proceeds at the time of requesting for redemption. Investors holding units in non-demat form are requested to avail the facility of registering multiple bank accounts by filling in the 'Multiple Bank Accounts Registration Form' available at our Investor Service Centres (ISCs) or on our website www.idbimutual.co.in.</p>

D. COMPUTATION OF NAV

The Mutual Fund shall compute the Net Asset Value (NAV) of each scheme in accordance with SEBI (Mutual Funds) Regulations, 1996. The NAV of the Scheme shall be calculated on all business days. Separate NAV will be calculated for each sub-option of each Option including under Direct Investment Plan. The NAV of the Scheme will be rounded off to 2 decimal places. Units in the Scheme will be rounded off to 3 decimals.

The NAV of the Scheme shall be updated on AMFI's website (www.amfiindia.com) and the Mutual Fund's website (www.idbimutual.co.in) by 11 p.m. of the same day. The first NAV of the scheme will be published by the Mutual Fund/AMC within five business days of date of allotment of units under the scheme after the closure of New Fund Offer.

The Net Asset Value per Unit shall be calculated by dividing the Net Assets of the scheme by the total number of Units outstanding on the valuation date, as follows:

NAV =
$$\frac{\text{Market or Fair Value of the Scheme's Investments} + \text{Current Assets including accrued income} - \text{Current Liabilities and Provisions including accrued expenses}}{\text{No. of Units outstanding under the Scheme / Plan}}$$

No. of Units outstanding under the Scheme / Plan

The Redemption Price however, will not be lower than 93% of the NAV, and the Sale Price will not be higher than 107% of the NAV. The Mutual Fund may charge the load within the stipulated limit of 7% and without any discrimination to any specific group of unit holders. However, any change at a later stage shall not affect the existing unit holders adversely.

Methodology for Calculation of Sale and Re-purchase price of the units of mutual fund scheme

a) In case of Purchase of mutual fund units

As per existing regulation, no entry load is charged with respect to applications for purchase / additional purchase of mutual fund units. Therefore, Computation of Sale Price is as below:

NAV	10.00
Entry Load	Not applicable
Sale Price	10.00

This also means, **Sale Price = NAV as on date of investment**

b) Redemption/ Repurchase of mutual fund units

In case of redemption, repurchase price is calculated as below
 Repurchase Price = NAV as on date of redemption- exit load (if applicable)

c) Illustration showing how repurchase price is calculated under 2 different scenarios-

Amount Invested- Rs.10,000/-

Date of Investment- 1st April 2018

NAV as on date of investment- Rs.10/- per unit

Exit load- For exit on or before 12 months from the date of allotment- 1%
 For exit after 12 months from the date of allotment- Nil

No of units allotted at the time of purchase

$$= \frac{\text{Amount invested}}{\text{NAV of the scheme on the date of investment}}$$

$$= 10,000 / 10 = 1000 \text{ units}$$

Particulars	Scenario I	Scenario II
	Redemption during applicability of exit load	Redemption in case of Nil Exit load
Date of Redemption	On or before 31 st March 2020	After 31 st March 2020
NAV as on date of redemption	Rs.12	Rs.12
Applicable Exit load	1%	Nil
Repurchase Price (NAV as on date of redemption-Exit load)	Rs.12 - (Rs.12*1%)	Rs.12- (Nil)
Repurchase Price on date of Redemption	Rs.11.88	Rs.12
Redemption Amount payable to	Rs.11.88 x 1000	Rs.12 x 1000

investors (no of units allotted x Repurchase Price)	= Rs.11,880/-	Rs.12,000/-
---	---------------	-------------

Note- This is only for illustration purpose. Actual Exit load charged in the Scheme may vary.

The above mentioned example does not take into consideration any applicable statutory levies and taxes.

IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the schemes. The information provided under this Section seeks to assist the investor in understanding the expense structure of the Scheme(s) and types of different fees / expenses and their percentage the investor is likely to incur on purchasing and selling the Units of the Scheme.

A. NEW FUND OFFER (NFO) EXPENSES - Not Applicable

B. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc.

The AMC has estimated that the following % per annum of daily net assets of the scheme may be charged to Regular Plan of the Scheme and on the daily net assets of the scheme. If the expenses exceed the limits stated below, expenses incurred in excess of the limits stated below shall be borne by the AMC.

As per regulation 52(6)(C) the total annual recurring expenses of the scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee shall be subject to the following limits:

Assets under management Slab (In Rs. Crore)	Total expense ratio limits
on the first Rs.500 crores of the daily net assets	2.25%
on the next Rs.250 crores of the daily net assets	2.00%
on the next Rs.1,250 crores of the daily net assets	1.75%
on the next Rs.3,000 crores of the daily net assets	1.60%
on the next Rs.5,000 crores of the daily net assets	1.50%
On the next Rs.40,000 crores of the daily net assets	Total expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof.
On balance of the assets	1.05%

The recurring expenses of the Scheme on an annual basis, which shall be charged to the Scheme, are estimated to be as follows (each as a percentage per annum of the daily net assets). This does not include Goods and Services Tax on management and Advisory Fees. The expenses are estimated on a corpus size of Rs.500 crores. The purpose of the below table

is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

Expense Head / Nature of Expense	% of Daily Net Assets (p.a)
Investment Management & Advisor Fees	Up to 2.25%
Trustees Fees	
Audit Fees	
Custodial Fee	
Registrar & Transfer Agent Fees including cost related to providing accounts statement, dividend/ redemption cheques / warrants etc.	
Cost related to investor communications	
Cost of fund transfer from location to location	
Marketing & Selling Expenses including Agents Commission and statutory advertisement	
Cost towards investor education & awareness (minimum 2 bps)	
Brokerage & transaction cost over and above 12 bps (0.12%) and 5 bps (0.05%) for cash and derivative transactions respectively	
GST on expenses other than investment and advisory fees	
GST on brokerage and transaction cost	
Other Expenses as permitted by SEBI regulations	
Maximum total expense ratio (TER) permissible under Regulation 52 (6) (c) (i) and (6) (a)	Up to 2.25%
Additional expenses under regulation 52 (6A) (C)	Up to 0.05% #
Additional expenses for gross new inflows from specified cities i.e. beyond top 30 cities	Up to 0.30%

with reference to SEBI Circular SEBI/HO/IMD/DF2/CIR/P/2018/15 dated 02nd Feb 2018, Mutual Fund schemes including close ended schemes, wherein exit load is not levied / not applicable, the AMCs shall not be eligible to charge the above mentioned additional expenses for such schemes

The purpose of the above table is to assist the investor in understanding the various costs and expenses that the investor in the Scheme will bear directly or indirectly. The above expenses are fungible within the overall maximum limit prescribed under SEBI (Mutual Funds) Regulations, 1996, which means there will be no internal sub-limits on expenses and AMC is free to allocate them within the overall TER.

Brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12% in case of cash market transactions and 0.05% in case of derivatives transactions;

These estimates have been made in good faith as per the information available to the Investment Manager based on the past experience and are subject to change inter-se within the overall limit of total recurring expenses permitted by SEBI (MF) Regulations.

Investors making investments directly with the mutual fund under the direct plan will be benefitted with a lower expense ratio excluding distribution expenses, commission, etc. and no commission shall be paid from such plans.

Additional Expense

As per regulation 52(6A) of SEBI (MF) Regulations, 1996, the AMC may charge the scheme with following additional expense.

- a) expenses not exceeding of 0.30% of daily net assets, if the new inflows from beyond top 30 cities (or such cities as specified by the Board from time to time) are at least -
- (i) 30% of gross new inflows in the scheme,
 - or;
 - (ii) 15% of the average assets under management (year to date) of the scheme,

Whichever is higher

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis by using the following formula.

$$\frac{\text{Daily net assets} \times 30 \text{ basis points} \times \text{New inflows from beyond top 30 cities}}{365^* \times \text{Higher of (i) or (ii) above}}$$

* 366, wherever applicable.

As per SEBI circular dated March 25, 2019, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”.

Beyond Top 30 (B30) cities shall mean beyond top 30 cities based on Association of Mutual Funds in India (AMFI) data on ‘AUM by Geography - Consolidated Data for Mutual Fund Industry’ as at the end of the previous financial year.

Inflows from corporates and institutions from B-30 cities will not be considered for computing the inflows from B-30 cities for the purpose of additional TER of 30 basis points.

Provided further that expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities:

Further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment;

The top 30 cities shall mean top 30 cities based on Association of Mutual Funds in India (AMFI) data on ‘AUM by Geography – Consolidated Data for Mutual Fund Industry’ as at the end of the previous financial year.

- b) Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of regulation 52 of SEBI (Mutual Fund) (Second Amendment) Regulations, 2012, not exceeding 0.05% of daily net assets of the scheme.”
- c) **Goods and Services Tax (GST)**
- o The AMCs may charge GST on investment and advisory fees to the scheme in addition to the maximum limit of TER as prescribed in regulation 52 of the Regulations.
 - o GST on other than investment and advisory fees, if any, shall be borne by the scheme within the maximum limit of TER as per regulation 52 of the Regulations

- GST on brokerage and transaction cost paid for asset purchases, if any, shall be within the limit prescribed under regulation 52 of the Regulations.

e) Investor Education and Awareness

Mutual Funds/AMCs shall annually set apart at least 2 basis points (0.02%) on daily net assets within the maximum limit of TER as per regulation 52 of the Regulations for investor education and awareness initiatives.

The AMC has estimated that annual recurring expenses of up to 2.25% p.a. of the daily net assets may be charged to the Scheme under Regular Plan without including the additional expense incurred towards distribution of assets to cities beyond Top 30 cities. **The maximum expense including additional expense towards distribution of assets to cities beyond Top 30 cities, if any, will not exceed 2.60% p.a of the daily net assets that may be charged to the Scheme.** If the expenses exceed the limits stated above, expenses incurred in excess of the limits stated above shall be borne by the AMC.

In compliance to SEBI Circular dated March 18, 2016, Impact of expense ratio on scheme returns is explained with below example. This example is only for the illustration purpose and IDBI MF does not assure any returns under any of its schemes.

Suppose if investor invests Rs.10,000 in the “scheme XYZ” with an expense ratio of 2.25%p.a. Suppose if the scheme earns 10% returns per annum the net returns earned on the original investment is as below-

Original Investment (Rs)	Rs.10,000
Expense Ratio (p.a) to be charged in the Scheme	2.25%*
Assume....Gross returns on investment (p.a)	10%
Gross Returns (before expenses)(A)	Rs.1000
Expenses charged (p.a) (Rs.10000*2.25%).....(B)	Rs.225
Net Returns (Returns-expenses)(A-B)	Rs.775
Original Amount + Net Returns	Rs.10775
Net return % to original investment	7.75%

Note- Expense Ratio is charged on daily rate (2.25%/365=0.006% in above example) on daily net assets of the scheme post valuation. .

*Hypothetical. Actual expense ratio charged under the scheme may vary.

The recurring expense particulars provided above are as permitted under the Regulation 52 of SEBI (MF) Regulations and are estimates. Types of expenses charged shall be as prescribed under the SEBI (MF) Regulations. The fees and expenses mentioned above are the maximum limits allowed under the regulations and the AMC may at its absolute discretion adopt any fees/expense structure within the regulatory limits mentioned above.

For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund (www.idbimutual.co.in). Further, any change in the expense ratio will be updated on our website The same change will be communicated to investor via SMS / e-mail 3 working days prior to the effective date of change (not applicable for changes in TER due to change in AUM or due to various other regulatory requirement). The exact web link for TER is <https://www.idbimutual.co.in/statutory-disclosure/total-expense-ratio-of-mutual-fund-schemes>.

C. LOAD STRUCTURE

Load is an amount which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to

take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.idbimutual.co.in) or may call at (toll free no.) or your distributor.

Type of Load	Load chargeable (as %age of NAV)
Entry load (For normal transactions / Switch-in and SIP)	<p>Not applicable</p> <p>(For normal transactions/switch-in and SIP transactions).</p> <p>In terms of SEBI Circular No. SEBI/IMD/CIR No. 4/168230/09 dated June 30, 2009, no entry load will be charged on purchase / additional purchase / switch-in. The upfront commission, if any, on investment made by the investor shall be paid by the investor directly to the Distributor, based on his assessment of various factors including the service rendered by the Distributor.</p>
Exit Load for Redemption/ Switch-out/ Transfer/SWP	<p>Exit load (Redemption / Switch-out / Transfer / SWP) –</p> <ul style="list-style-type: none"> • If units of the Scheme are redeemed or switched out up to 10% of the units (the limit) within 12 months from the date of allotment - Nil. • If units of the scheme are redeemed or switched out in excess of the limit within 12 months from the date of allotment - 1% of the applicable NAV. • If units of scheme are redeemed or switched out after 12 months from the date of allotment - Nil. <p>In terms of SEBI vide circular Ref no: CIR/IMD/DF/21/2012 dated September 13, 2012 and notification dated September 26, 2012 the exit load, if any, charged by mutual fund scheme shall be credited to the respective scheme after debiting applicable GST, if any.</p> <p>The exit load will be applicable for both normal transactions and SIP transactions. In case of SIP, the date of allotment for each installment for subscription will be reckoned for charging exit load on redemption.</p>

	<p>No exit load shall be levied for switching between Options (Growth/Dividend) under the same Plan (Regular/Direct) within a Scheme. Switch of investments from Regular Plan to Direct Plan under the same Scheme shall be subject to applicable exit load, unless the investments were made directly i.e. without any distributor code. However, any subsequent switch-out or redemption of such investments from Direct Plan will not be subject to any exit load.</p> <p>No exit load shall be levied for switch-out from Direct Plan to Regular Plan within the same Scheme. However, any subsequent switch-out or redemption of such investment from Regular Plan shall be subject to exit load based on the date of switch-in of investment into the Regular Plan.</p> <p>No exit load will be levied on units allotted on Dividend Re-investment.</p>
--	---

The exit load charged during redemption, if any, will be credited to the scheme on the next business day after deducting applicable GST.

The investor is requested to check the prevailing load structure of the scheme before investing. For any change in load structure AMC will inter alia issue an addendum and display it on the website / Investor Service Centers.

The Redemption Price however, will not be lower than 93% of the NAV, and the Sale Price will not be higher than 107% of the NAV. The Mutual Fund may charge the load within the stipulated limit of 7% and without any discrimination to any specific group of unit holders. However, any change at a later stage shall not affect the existing unit holders adversely.

Any imposition or enhancement of Load in future shall be applicable on prospective investments only. AMC shall not charge any load on issue of bonus units and units allotted on reinvestment of dividend for existing as well as prospective investors.

At the time of changing the Load Structure:

1. The addendum detailing the changes will be attached to SIDs and Key Information Memorandum. The addendum may be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Documents and Key Information Memorandum already in stock.
2. The addendum will be displayed on the website of the Mutual Fund and arrangements will be made to display the addendum in the scheme information document in the form of a notice in all the Investor Service Centres and distributors /brokers' office.
3. The introduction of the exit load along with the details will be stamped in the acknowledgement slip issued to the investors on submission of the application form and will also be disclosed in the accounts statement issued after the introduction of such load.

4. A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.

5. Any other measure which the Mutual Fund may consider necessary.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS - Not applicable

E. TRANSACTION CHARGES

As per SEBI circular Cir/ IMD/ DF/13/ 2011 dated August 22, 2011 the distributor is entitled to charge a transaction charge per subscription of Rs. 10,000/- and above. However, there shall be no transaction charges on direct investments. The transaction charge shall be subject to the following:

- i. For existing investors in a Mutual Fund, the distributor may be paid Rs.100/- as transaction charge per subscription of Rs. 10,000/- and above.**
- ii. The distributor may be paid Rs.150/- as transaction charge for a first time investor in Mutual Funds.**
- iii. The transaction charge, if any, shall be deducted by the AMC from the subscription amount and paid to the distributor; and the balance shall be invested.**
- iv. The AMCs shall be responsible for any malpractice/mis-selling by the distributor while charging transaction costs.**
- v. There shall be no transaction charge on subscription below Rs.10, 000/-**
- vi. In case of SIPs, the transaction charge shall be applicable only if the total commitment through SIPs amounts to Rs. 10,000/- and above. In such cases the transaction charge shall be recovered in 3-4 installments.**
- vii. There shall be no transaction charge on transactions other than purchases/ subscriptions relating to new inflows.**
- viii. The statement of account shall clearly state that the net investment as gross subscription less transaction charge and the number of units allotted against the net investment.**
- ix. Distributors shall be able to choose to opt out of charging the transaction charge. However, the 'opt-out' shall be at distributor level and not investor level i.e. a distributor shall not charge one investor and choose not to charge another investor. Further, Distributors shall have also the option to either opt in or opt out of levying transaction charge based on type of the product.**

It is also clarified that as per SEBI circular no. SEBI/IMD/CIR No. 4/ 168230/09, dated June 30, 2009, upfront commission to distributors shall continue to be paid by the investor directly to the distributor by a separate cheque based on his assessment of various factors including the service rendered by the distributor.

(1) IDBI Asset Management Limited had invested in the NCDs of DHFL to the extent of Rs.30 Crore in various schemes out of which they have defaulted in two schemes namely "IDBI Dynamic Bond Fund" and "IDBI Ultra Short Term Fund" for Rs.1,00,00,000/- (Rupees one Crore only) and Rs.4,00,00,000/- (Rupees four Crore only) respectively which was due for repayment on September 09, 2019. Other NCD's are due for payment of interest/principal in the year 2021.To recover the said amount IDBI Asset Management Limited initiated legal proceedings against the DHFL for recovery of the said NCD's portion also. Therefore, IDBI

AMC has filed a Summary Suit application in the Mumbai High Court on November 18, 2019 and the same is pending before the Hon'ble Bombay High Court.

(2) IDBI Asset Management Limited has the following exposure to Yes Bank Ltd. and the recent developments with respect to the bank are given after the exposure details:

Scheme Name	Security Name	Face Value (Rs. Cr)
IDBI Credit Risk Fund	Yes Bank 09.00% (Perpetual BASEL III compliant Additional Tier I) 18-Oct-2022	10.00

RBI proposed reconstruction plan, Axis Trustee Services (the debenture trustees for YES Bank's AT-1 bond) has written to the RBI asking for appropriate treatment for the AT-1 bond holders in the interest of debt capital markets and future bank-fund raising, as the write-down treats the common equity holders preferably over these AT-1 bonds. Axis Trustee being Trustee to Debenture holders has filed a Writ Petition with the Bombay High Court on 9th March, 2020 to restrain the government and RBI from implementing the proposed reconstruction scheme.
